Committee on Human Relations, City Manager George Aull, and Carolina Theater manager Milo Crawford, the NAACP charged that the Carolina's segregated policy is both "illegal" and "morally indefensible."

Today's letter marks the second time the Carolina Theater has been before the City Council. On November 2, 1961, the Council received an NAACP petition calling for a number of racial reforms, including integration of the Carolina. The City Council referred the petition to the Mayor's Human Relation Committee, which recommended that the theater be integrated.

The letter to city officials apparently was motivated by the failure of the City Council to act on the recommendations of the Mayor's committee.

In a departure from their usual custom, the NAACP youth group's letter was signed not by their officers, but by students from nine Durham colleges, high schools and junior high schools.

Signers of the letter included Miss Claudette Brame of North Carolina College, Miss Andrie McKissick of Durham High School, Miss Shirley Henderson of Hillside High School, Mr. Osborn Bridgeford of Merrick-Moore High School, Mr. Lafayette McDonald of Durham Business College, Mr. Ralph Luker of Duke University, Miss Joyce Brame of Whitted Junior High School, Miss Lossie Moore of DeShazor's Beauty College and Mr. Sandell Clawson of Bull City Barber College.

Tutoring sessions and a shower were the two main activities engaged in by the sorors of the Alpha Lambda Chapter of the Delta Sigma Theta Sorority during January.

Following the Christmas holidays the sorority began tutoring sessions in McLean dormitory. According to Guytanna Horton, the program was established to raise the academic standings of students on the deficiency list. Tutoring sessions were held in the areas of math, French, chemistry, and biology.

Mrs. Dorothy Sharpe Johnson was surprised with a baby shower by sponsors of the Delta sorority on January 6. The shower was held at the home of Mrs. Johnson and her sister, Trumilla Sharpe, on Nelson Street. Approximately 25 sorors attended, bringing a host of gifts and good cheer.

Alpha Chi Chapter of Alpha Kappa Alpha Sorority observed its sorority's national Founder's Day, January 16. It was on this date in 1908 that Alpha Kappa Alpha, the first Greek letter sorority among Negro women in America, was founded at Howard University in Washington, D. C.

Sorors of Alpha Chi, dressed sharply all day, had dinner in the dining hall wing at 5:30 P.M. with their graduate adviser, Soror Frances Eagleson. Afterwards the sorors and the Ivies assembled with glowing tapers in the freshman bowl. They formed a circle in front of their lighted symbol and presented a brief program, high-lights of which were an ode to

Alpha Kappa Alpha by Sorors Linda Cameron and Donnie McNeill, and a solo by Soror Elvira Green.

The Alpha Chi Chapter of Alpha Kappa Alpha Sorority inducted eight new sorors into the chapter recently. They are Betty Louise Battle, Carrie Lee Barnes, Elaine Delores Johnson, Irma Jean Page, Silvery Kay Perry, Leah Evelyn Ramsey, Alma Chinita Trotter, and Evelyn Turner.

The sorority is proud of sorors Donnie Rose McNeil, Wilma M. Pridgeon, Rose Tate, and Carolyn Smith, who were elected to **Who's Who In American Colleges and Universities.**
