

Eagles Pin Bears For 20-8 Homecoming Victory

Coach Herman Riddick and his North Carolina College Eagles kept themselves in the ranks of the undefeated and untied by downing Shaw University Bears 20-8 Saturday before a capacity Homecoming crowd at O'Kelly Field.

The CIAA victory over the visiting Bears was the fifth for Riddick's charges, who now post a 6-0 overall record and stand in first place in the CIAA. They lead the conference for the third

successive week.

The Eagles scored first in the opening stanza when senior guard Bobby Garner recovered a Shaw fumble after NCC's forward wall blocked a fourth-down kick attempt by the Bears. When the kick was blocked, Gardner picked up the ball and raced into the end zone untouched for the Eagles' first marker. The PAT failed, making the score 6-0.

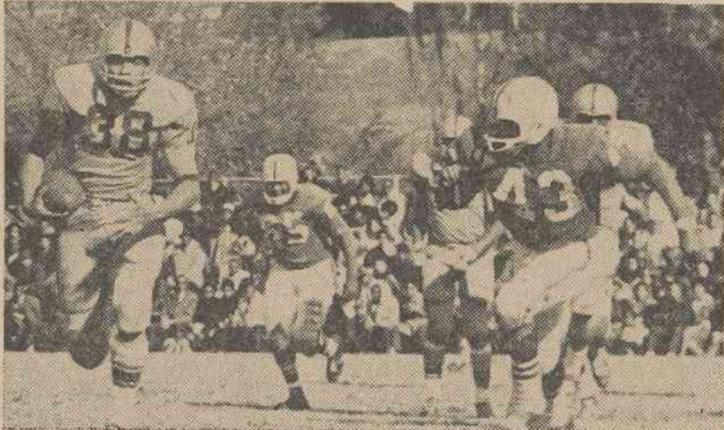

North Carolina College kept

the Bears at bay for the rest of the first period and did not score themselves until the second quarter. Durham halfback Paul Perry scored on the longest run from scrimmage of the afternoon when he dashed 56 yards to paydirt. Receiving a fourth down Shaw kicked on NCC's 38, quarterback Aaron Martin gave the oval to Perry, who saw daylight and raced up the middle for the Eagles' second tally. A Bobby Asmond kick made the score 13-0 at halftime.

The Eagles still hot from the first half, came roaring back in the third period with their third touchdown. Perry got into the action again this time with an interception on the Bear 47 yard line. Quarterback Donald Thomas put the ball in motion by passing to end William Giles, who went to the Bear 22 before he was stopped. From this point, halfback Robert Currington another Durhamite ran straight

through the Bear defense to paydirt for a 19-0 NCC lead. The PAT by Asmond made the score 20-0.

The Bears got into the scoring column late in the final stanza when their quarterback, Pete Waiters, threw a strike to end Theodore Powell after the Bears blocked an NCC fourth-down punt on the Eagle's three yard line. A two-point conversion made the final score 20-8.

NCC'S PAUL PERRY SCOOTs ARouND RIGHT END and then outruns two Shaw University persuers to score the second Eagle touchdown in the NCC Homecoming tilt between the two schools.

Pardon me if I sound as if the executive position I've landed deals with the whole future of the world.

It does.

Certainly, there's no organization today conducting more vital business than the business of the United States Air Force. And very few organizations that give a college graduate greater opportunities for responsibility and growth.

As an Air Force officer, you'll be a leader on the Aerospace Team—with good pay, a 30-day paid vacation each year, educational opportunities.

How can you get started? For many, the best way is through Air Force ROTC. But if you missed out on AFROTC, or if there's no unit on your campus, you can still apply for Air Force Officer Training School. This three-month course leads to a commission as a second lieutenant in the United States Air Force.

For more information about Air Force OTS, see your local Air Force representative.
