

# Eagles Ready For 37th Carolina Classic

By Lestee Perry, Jr.

As Thanksgiving Day rapidly approaches, Eagle gridironers are making last minute preparations for their meeting with the A&T Aggies in the thirty-seventh Annual Carolina Classic to be held in Durham's County Stadium.

This annual clash is Negro collegiate football at its best. Down through the years since the beginning of the series, athletes from both schools have given their all to make the classic one of the most exciting on the East coast.

When the Aggies and the Eagles meet, who would dare predict the outcome? No one, I should hope. All previous records and the number of All-American or All-CIAA performers becomes irrelevant, because the keen rivalry alone is enough to make the underdog rise to the occasion.

The classic began in 1928 when the Aggies crushed the Eagles 20-0. No contest was held in 1929. Play resumed in 1930 with the Eagles beating the Bulldogs 20-14. There were three more Eagle victories, '31,

'32, and '33 before the Aggies managed to squeeze out a 6-0 victory in 1934. From that date until 1941, the Aggies dominated the scene, racking up seven consecutive wins. The 1941 Eagles ended the domination with a 9-6 victory over the Aggies.

There was no series during the war years of 1943 and '44. It was resumed in 1945, and with the late and great Herman Riddick in his first season as head mentor, the Eagles shut out the Aggies in an impressive 47-0 win.

The series record now stands

at 16 NCC and 19 A&T wins. Three games ended in deadlock.

The tie contests occurred in 1946, 1948 and again in 1955. The two clubs battled to a 0-0 deadlock in 1946, the score was 6-6 in 1948, and in 1955 the games ended in a 7-7 tie.

This year's meeting of the arch rivals promises to be just as much a spectacle as the previous 36. It should be one of the biggest and most exciting Thanksgiving Day attractions.

The Eagles overall mark this season is 7-1-0 for second place CIAA ranking while the Aggies 7-1-0 record is good for third place ranking.

Standing ready to avenge a 19-6 Eagle loss of last season, is a corps of running backs, any of which would be the pride and joy of any coach. Power and speed will be terms which are synonymous with either back-field combination Coach Quiett chooses. The starting duo of Thurman Jones and Ollis Carson is back by Roy Ander-

son, Moses Bryant, Roger Foust, Gilbert Smith and Willie Taylor, all of which are of first team caliber.

The passing game is spearheaded by the M-M combination of Matthews and Martin, with Terry Cole coming into his own this season as a flanker plus the sure hands of halfbacks Carson and Smith. The passing attack should not suffer.

The defensive and offensive lines are anchored by such giants as captains Harold Beatty and Benjamin Bullock, Jerome Gantt, Lonnie Paige, Russell Price, Sam Singletary, James Smith, and Doug Wilkerson.

The defensive secondary is led by a fine trio of backs in the persons of Robert Holloway, Pete Quinn and Ronald Upperman.

This year's engagement, as previous ones, will be an "all out effort by both teams to sway victory their way. However, whatever happens, whoever wins, it is going to be an interesting and exciting game.

## Campus Echo

North Carolina College at Durham

Durham, North Carolina, Tuesday, November 26, 1968

Founder's Day Principals: Attorney Moses Burt, Dr. Albert Whiting, Alfred Whitesides, Dr. Alfonso Elder, Dr. James Taylor.

### Ray New Head Of Student Bar

R. Lewis Ray

R. Lewis Ray of Winston-Salem, a senior law student at North Carolina College, has been elected president of the Law School's 87-member Student Bar Association. He polled 64 percent of the votes cast in a three-man race.

Ray, a graduate of Winston-Salem State College and A&T State University, also studied at the University of North Dakota. On campus, he is a member of Omega Psi Phi Fraternity and Alpha Phi Omega National Service Fraternity. He is a veteran of the U. S. Air Force with service as a Senior Aircraft Control and Warning Radar Operator.

In Winston-Salem, Ray has twice been elected Magistrate (Judge) of the Justice of the Peace Court. He is a real estate broker, insurance broker, tax consultant, and notary public. Ray is the owner of R. Lewis Ray Real Estate and Insurance Company. He is also president and chairman of the board of directors of Moderate Income Housing Development Company, Incorporated.

Other officers elected were Eugene Tyler of Bronx, N. Y., vice president; William Proctor of Baltimore, Md., treasurer; and Lessie Dawkins of Shelby, N. C., secretary.

GEROME DICKENS

### Freshman Class Elects Officers

This year the Freshman Class officers are from various parts of North Carolina, and from Pennsylvania. Their majors, minors, and ambitions are varied.

Gerome Dickens, class president, is from Tarboro, N. C. His major is Political Science, and his minor is Sociology. His ambition is, "To see a united country." Dickens possesses varied talents. In sports, he plays tennis and basketball. In music, he plays the trumpet. Gerome has also received honors, among them the Bronze Medal and and Silver Medal for band participation.

Alexis Regina McIntyre, vice-president, is from Williamston, N. C. Her major is Physical Education and her minors are Biology and Recreation. Her ambition is to be a Physical Education instructor.

Princess Lynette Bowden, secretary, is from Rocky Point, N. C. Her major is English and her minor is French. Her ambition is to teach English and French on the secondary level.

Carol Finch, treasurer, is from Pittsburgh, Pa. Her major is Elementary Education and her minor is Psychology. Her professional goal at present is undecided.

The six representatives to the Student Government are: Sandra Farrington, Roxie Mathews, Carolyn Williams, William

### Endowment Fund Progress Reported

Since the Endowment Fund campaign was launched in February it has moved at a steady pace. Its initial purpose is to supplement salaries of distinguished and productive members of the faculty. North Carolina College seeks to raise one million dollars. Invested at four percent, the endowment would provide \$40,000 per year which could be used to supplement faculty salaries.

The College seeks from sources within the State of North Carolina \$500,000, from the Southern region outside of the State \$300,000, and from other areas of the country \$200,000. Initial grants from several industries have provided an auspicious beginning from the endowment fund.

The Development Office is concentrating on foundations, business and industry as the primary source of funds. Thus far, the following endowment grants have been received—Burlington Industries \$75,000; Liggett & Myers \$60,000; R. J. Reynolds \$10,000; anonymous \$3,000; Durham Foundation \$1,000; Bryan Family Foundation \$1,000; Central Carolina Bank \$500; and Duncan-Fletcher Foundation \$500.

### Newsom Accents Student Dialogue

By Larry Johnson

Dr. Lionel H. Newsom, president-elect of Johnson C. Smith University, delivered the principal address at North Carolina College's twenty-first annual Founder's Day Convocation, November 4 in B. N. Duke Auditorium.

Dr. Newsom suggested that a dialogue must exist between the college and its students. He said that "today in higher education it is our duty to talk to youth and to tell them what truth is. Then we must listen to youth as they tell us what truth is.

Let us fling ourselves in truth. It is the best thing we have."

"It is in the colleges that we get our direction," said Dr. Newsom. "The college is the institution where we learn the truth." Dr. Newsom believes that the search for truth is the key to a meaningful life. "We must look at the old and save that which is worth saving. Then we must cultivate the new and sail on."

The dedication of the Alfonso Elder Student Union in honor of Dr. Alfonso Elder, president (See Newsom, Page 6)

### Physics Department Receives Grant

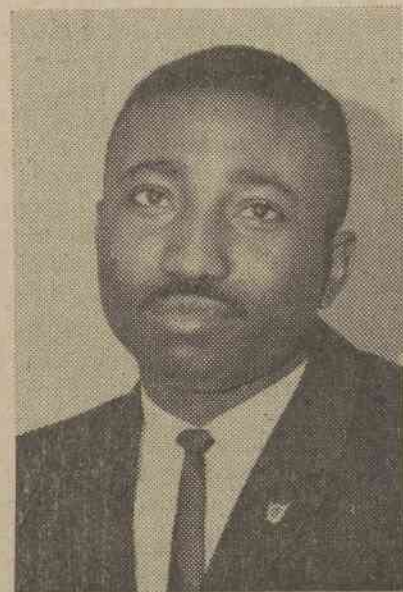

The Physics Department has received a grant from the National Science Foundation under the College's Science Improvement Program for the years 1968-71. This program allows for the purchase of equipment for research by students and faculty and equipment to develop a modern laboratory or laboratory on modern physics, atomic physics, nuclear physics, solidstate physics, etc.

It also provides funds to buy basic equipment for glass-blowing, metalwelding, etc. for workshops so that students may build, repair and even modify equipment. The terms of this grant also provide for hiring a technician for 1969-70 and 1970-71. In general, this program provides for the implementation of a new physics curriculum, which includes electronics, astronomy, history of science, mechanics, solidstate physics, math, and

modern physics. For this purpose, the grant provides funds to relieve some faculty members of the Physics Department from teaching, so that they may develop course matter, lecture notes, test, and text books.

The ultimate purpose is to enable the Physics Department to offer the physics major a curriculum totally engaged in more self education, by library and laboratory research, rather than by lectures and basic fundamental book knowledge. Students are required to challenge themselves. Preparation for outside competition for scholarships and jobs is mandatory. They must make themselves capable to bargain their own positions for jobs.

The Physics Department has also received a gift-grant from the Bendix Corporation. This gift program is mainly for elec-

R. LEWIS RAY

tronic equipment. Accordingly, they have applied for similar grants from IBM and other sources.

### Coming Events

Friday, December 6, 8:00 p.m.  
Family Night Activities Student Union

Sunday, December 8, 8:00 p.m.  
"The Cardinal," B. N. Duke Auditorium  
Starring Ossie Davis, Burgess Meredith

Wednesday, December 11, 7:30 p.m. Film "Men in Cages," Student Union

Saturday, December 7, 8:00 p.m.  
"Toy Dance," Admission: A small toy, Student Union

Saturday, December 14, 7:00 p.m., Needy Children's Christmas Party, Student Union

Monday, January 13, 7:00 p.m., Income Tax Discussion Consultant, H&R Block, Student Union
