

The NCCU Eagles are practicing for a great upcoming season.

## Softball team a hit

By Edwin Horsley

Samuel E. Vaughn is the head coach of North Carolina Central's varsity women's softball team. A native of Henderson, N. C., Vaughn received both his undergraduate and master's degrees at NCCU.

When asked whether or not it is difficult to coach women, Vaughn commented, "Athletes are athletes from a coaching point of view. I don't distinguish between males and females when I'm coaching."

The team is currently 4-6 overall, and 4-1 in conference play. "The ladies have improved a great deal as the season has progressed. I think we have a great team."

"Attitude is a large part of any team's success. This year's team shows the winning type of attitude necessary to win, says Coach Vaughn. ...fortunately, Central has brought in good student-athletes. They seem to be mature and that's good because I want to field the best team possible. I don't always come up with the best combination of players, I make mistakes too."

Coach Vaughn adds that, "Support for this year's team has been tremendous." Continued Vaughn, "When I took over we had nothing. Now we have uniforms for our players, bats, balls, and the like. Transportation is also readily available to us when we need it."

Coach Vaughn encourages women who may want to play next season to come see him. "The more players that we have to choose from, the better team that we can field."

# The Gold bowl goes over the rainbow!

By staff and wire service reports

The 1980 Gold Bowl IV souvenir program stated, "We (the Executive Board of Richmond Gold Bowl Sponsors) believe that one way to preserve our schools is to provide them exposure such as the Gold Bowl provides." Yet on Saturday, April 4, the Central Intercollegiate Athletic Association Commissioner Bob Moorman announced that the Gold Bowl game is being dropped!

The Gold Bowl, played the last four years in Richmond, Va., was supposed to feature the CIAA champion against the Mid-Eastern Athletic Conference's title holder. But, according to Moorman, the champions often played in the NAIA or NCAA Division II tournaments instead because

the Gold Bowl was the 12th game of the season and thus kept its participants out of any other post-season action. As a result, second place teams occasionally ended up in Richmond.

Moorman said that, beginning this season, all 12 schools in the CIAA that field football teams will play a 10-game schedule. The conference title between the Northern and Southern division champions will count as the 11th game, after which the contestants can still move into post-season games.

Instead of the Gold Bowl there will be a conference game between the two CIAA division champions. The title game will be held on November 21 in Charlotte.

The CIAA's Northern Division members are Virginia Union, St. Paul's, Norfolk State, Hampton Institute, Elizabeth City State and Bowie State.

The five Southern division teams that field football squads are Winston-Salem State, North Carolina Central, Fayetteville State, Johnson C. Smith, and Livingston. St. Augustine and Shaw don't play football.

The North Carolina Central Eagles, returning to the CIAA conference after being in the MEAC since 1971, came in first place in the CIAA conference this past year. The Eagles tallied a 7-0-0 record in the conference and a 7-5-0 record overall.

The Eagles to go to the Gold Bowl against the North Carolina A&T State University Aggies.

The Eagles had a good offensive game as Carl Sanders had a career high 114 catches for 1,960 yards. Roscoe Burnette had 660 yards in 145 carries. Burnette along with Michael Worthy and Benjamin Tate tallied 1,597 of the 1,719 yards accumulated by the Eagles' rushing unit.

The Eagles have 15 starters returning and four top newcomers in quarterback Danny Smith from Durham, quarterback Gerald Bridgers from Tarboro, runningback Clifton Kersey from Clarksville, Va., and guard Zonta Laney.

The 1981 spring tennis team is ready to play.

To the lady in the cafe,  
It wasn't fair of you to blame one student for a condition that was brought on by many students. If you are going to single out one person, single out everyone that comes to the conveyor belt. I'm just as mad as you are for not having a tray to have my plate on when I eat.
