On April 1st 1993, students will vote for the upcoming academic year's Student Government Association officers. This Special Edition is designed to provide the University community with a better understanding of who is running for office and their goals as the future leaders of this institution. Also, we hope to encourage participation, because regardless of popular belief, it does matter. After all, the winners in the respective categories will represent the students and North Carolina Central University.

We strongly encourage students to attend the activities starting March 29, with the Miss NCCU Pageant at 6 in B.N. Duke Auditorium.

We hope students will come out and pose tough, thought-provoking questions that challenge the candidates so we can determine who has the most promising agenda for NCCU. This should not be a popularity contest for the best looking or for the most popular or for fraternities and sororities to vote unqualified "brothers and sisters" into office.

Perhaps we can stop complaining about the University's woes and take some initiative by electing accountable and responsible SGA officers and a Miss NCCU we can be proud of.

NCCU can only be as good as those who represent us. You decide the future of NCCU. Please remove all prejudice and make the decision for the best candidate for the position.

The advertisements in this supplement were paid for by the candidates or their supporters. The inclusion or exclusion of any candidate was the decision of the candidate and not The Campus Echo.
