

From The Auxiliary

The Eighth Annual Hospital Auxiliary Conference met, in conjunction with the American Hospital Association, in Atlantic City Sept. 19-22. Our representatives were Mrs. Julian Ruffin, our President, and Mrs. Sam Harper, our Executive Secretary.

Here are two dates to put on your calendar:

October 25—Annual meeting; guest speaker—Mrs. James Semans; her topic—"Television as a Medium of Public Relations."

December 2—TV Series on Station WTVD "Your Community." This series presents musical and dramatic talent from the Durham-Chapel Hill area plus interviews by Mrs. Semans with persons who are making significant contributions to the community. This particular program will feature the presidents of the three local hospital auxiliaries: Watts, Lincoln, and Duke.

With this issue we begin a series of brief reports on the various services and committees of your Auxiliary. Herewith is an account of the recent activities of the Membership Committee.

Membership records have taken on a new look with members' cards filed according to services, and with each service denoted by a different colored card. Any member working on more than one service will have a record card for each service. Service schedules will be posted on the bulletin board on colored sheets corresponding to the colors of the service record cards.

Membership lists have been carefully reworked, and every effort will be made to keep them up to date. The active list represents only those persons who actually give hours of service; the inactive list only those who show their interest by paying inactive dues. All persons on both lists will receive notices of meetings, Inter-Com, and any other Auxiliary communications.

This 'n' That

He will return the early part of October.

Congratulations go to Dr. Kenneth D. Hall, assistant resident, on the birth of a son on Sept. 22.

The department extends its deepest sympathy to Dr. Sara J. Dent on the death of her father in Lockhart, S. C., on Sept. 15.—*Inez Champion.*

Physiology and Pharmacology

Dr. F. G. Hall, Dr. K. E. Penrod, and Mrs. June Barker attended the American Physiological Society meetings in Boston during the week of Sept. 5 through Sept. 9.

There are two new employees in the department—Mrs. Gerda Klingman and Mrs. LeGrande Bell. They are technicians in Dr. Goodall's laboratory. Mrs. Klingman comes to Duke from the Medical College of Virginia and Mrs. Bell from Quitman, Ga.

Reeves Alphin, a graduate student in physiology, and Barbara Gilliam, who was an intern here in pharmacy, were married on Sept. 4. They are now living in Chapel Hill.—*Sue Gaines.*

Medical Illustration

Thomas R. Webster accepted a position as medical photographer at Bowman Gray Medical School in Winston-Salem as of Sept. 1.

Thurman Ellis joined the Medical Illustration staff as a medical photographer the first of September.

A. C. Webster has returned from the Biological Photographers Association held in Milwaukee, Wis.

Those who have taken the trip to Saturn this summer at the Morehead Planetarium in Chapel Hill may not be aware that the panorama which is projected on the dome to portray scenes on various moons, was painted by Bob Blake, a medical illustrator here in the hospital. Bob has been painting for the Planetarium for some time and will continue to do so.
