

PICNIC PICTURES

Thanks go to the committee members who planned this year's picnics, which, if possible, were even more successful than last year's.

About 250 attended the employees

picnic on Thursday, July 12, where Theodore Johnson in dietetics and Virginia Mangum in Practical Nursing won the two big hams given away. On Saturday, July 14, staff members turned out some 400-strong.

Grown-ups and kids had a big time, as the picture pages show. Once again, InterCom is indebted to Superintendent Ross Porter for the fine snapshots.
