PRIDE OF THE AUXILIARY'S Library Service is a new book cart purchased recently. Designed so that book titles are more readable, the new cart is also easier to handle by the volunteers. Mrs. J. Lamar Callaway, far right, is shown with volunteer Mrs. Mildred Baldwin as they assist a patient in selecting books. According to the volunteers, the service needs recent books for the library, as well as magazines for distribution to patients each week. Mrs. E. C. Bryson is co-chairman. (Photo by Thad Sparks.)
