

On The Go

(Continued from page 6)

International Congresses have been on the summer schedule of several staff members: at the Fourth International Congress of Biochemistry, Dr. Philip Handler, Dr. William Lynn, Dr. Joseph Beard, Dr. Henry

Kamin, Dr. William Byrne, Dr. E. Croft Long, and Louis Hass; at the Sixth International Congress of Tropical Medicine and Malaria in Lisbon, Portugal, Dr. Amoz Chernoff. Dr. Chernoff has recently accepted a new post at the University of Tennessee's Memorial Research Center and Hos-

pital in Knoxville. Dr. James Semans spent most of the summer visiting European medical schools. Dr. Jerome Harris was in Europe for meetings. Dr. Ivan W. Brown, Jr., participated in a Rome medical meeting and will visit medical and surgical institutions in Russia.
