Medical Records

Here's a big welcome to the new employees in our Department. Filing: Jackie Barbee, Barbara Hall, Barbara Kelly, Sylvia Stone, Ethel Langston, Virgie Greenhill; Admissions Desk: Jean Ray; Floater: Margaret Chambers.

Surgery

We welcome to the Surgical Department Dr. Rikko Yamaki from Japan. He is working as a fellow on thoracic in the Bell Building.

Business Office

Mrs. Elizabeth Trent Hendricks, chief admitting officer of the hospital for over seventeen years, left the Medical Center November 1 to return to her home in Okmulgee, Oklahoma. Prior to her departure she was honored by the Business Office with a dinner party at Hartmans. The good wishes and affection of her associates and Medical Center friends go with her.

Surgical PDC

Mrs. Carol Hood is the new secretary to Drs. Turner and Parker. Her husband, James, is in the Graduate Law School at Duke.

Caroline Wise is the new secretary in the Neuro-Surgical Resident's Office.

Mrs. Edith Horn, former secretary to Drs. Parker and Turner, is working with her husband, Dr. Edward Horn, Biology.

Betty Crabtree, SPDC Lab technician, is recuperating well in Duke Hospital from an automobile accident.

Occupational Therapy

Carol Billow Parrish left us August 15 to move to Fayetteville. Her husband, Billy, has a Methodist church there. Carol is teaching a class of mentally retarded children this year.

Psychiatry

Mrs. Vaida Diller Thompson has joined the Department as a Research Assistant with Dr. R. H. Dovenmuehle's Nursing Research Grant. Mrs. Sally Beal has resigned as secretary of this group and returned to her home in San Francisco.

Pathology

Mr. Lee Luna, chief technician of the Armed Forces Institute of Pathology, Washington, D. C., spent some time with our histology section learning techniques.

Dr. Chauncey Bly, formerly of Rochester, N. Y., has joined the department as Associate Professor. He will be busy teaching and pursuing a research project with animals on cancer.

Dr. Joachim Sommer is partly absorbed by Dr. Beard's research team while studying the histochemistry of virus-induced cancer cells.

Space in the department has been rearranged to open a research suite for a project in collaboration with the U. S. Public Health Department. Dr. Jane Elchlepp heads the study and John Brandon has been added to the staff as a technical assistant.

X-Ray

Former members of the department were welcomed back Nov. 16-17 for the first meeting of the R. J. Reeves Radiological Society. Dr. Charles A. Martin of Texas was guest speaker.
