**PROGRESS NOTES**

*Medical Record Library*

Room 040 on the D and T corridor is now set up as a reading room. We are very glad to have this much

needed space available for research work involving the medical records.

**PROMOTIONS**

Congratulations to Drs. Sara J. Dent and Talmage L. Peele who have been promoted to full professorships.

Dr. Dent now holds the rank of professor of anesthesiology. Dr. Peele's promotion was from associate professor of anatomy and assistant professor of neurology to professor of anatomy and associate professor of neurology. He is also an assistant professor of pediatrics.
