

## ACCOLADE

### "Duke University Medical Center Recognizes with Gratitude..."

For twenty or more years of continuous service, eighty-six members of the staff were honored at an afternoon tea on December 3, 1964. Mr. Charles H. Frenzel spoke to the group and called upon several of the honorees for impromptu remarks concerning their long association with the Center. Each person was presented a silver pin and certificate in recognition of his loyalty and contribution to the growth of the organization.

With pride, *InterCom* recognizes these fine people who have served so faithfully:
