

## From the Auxiliary

(Continued from page 4)

William Graham, Chris Hamlet, Ruth King, Albert Massey, H. L. Monk, John L. Moorhead, Wesley Seekamp, L. C. Patee, Haywood Taylor, D. U. Stickel, and P. H. Trickey

*Properties and Marking:* Mrs. Frank Bassett

*Publicity:* Mrs. Stanley Appel

*Finances:* Mrs. Shelton Smith

*Receiving:* Mrs. John M. H. Hart

Once again we have Miss Lelia Clark to thank for arranging our successful orientation program which was held one afternoon a week for seven weeks. Nine of our volunteers came for the sessions, and all of them expressed a deeper appreciation of our hospital when they had finished the course.

This year we have had several house counselors from East Campus and many coeds helping us on our various services, and we appreciate their interest very much. Since this is the last issue before they go home for the summer, the Auxiliary wants to say thank you, and we hope to have many of you back in the fall.

With this issue, the publicity chairman for our Auxiliary, Mrs. Peggy Warner, is saying goodbye. We will miss her and hope she and her family will be very happy in Nashville, Tennessee.

In closing, I want to say how pleased we are to have Nancy Craven back with us again after a second serious operation. I want to say thank you to all those who helped during her illness. Also, a special thanks to Mary Daugherty.

### CHECKERS, ANYONE?

During spring "closet cleaning," please remember that an old, unused checker set (and other games) may help a patient to "while away" some mighty long hours.

So, instead of throwing old games away, why not bring them to the Auxiliary?

**CONSTRUCTION CONTINUES ON THE NEW MAIN ENTRANCE BUILDING.**—This picture of the construction, taken by Medical Illustration artist, Bob Blake, on March 18, reveals how much progress has been made since the picture was taken. Since March 18, the skeleton of the second story has gone up, and work has begun on the third. It won't be long now!

## This 'n' That
