

This 'n' That

(Continued from page 7)

employee of SPDC. Mr. and Mrs. Horton are now living in Henderson, Kentucky.

Department of Surgery

Dr. and Mrs. Dale Ensor (urology), a daughter, on March 23.

Mrs. Betty Blalock (thoracic surgery office), a son, on March 17.

Mrs. H. Michael (Barbara) Ferentino, a daughter, Gina Michelle, on December 10, 1964. Barbara is secretary to Dr. Delford Stickel.

NEW FACES AND OLD

Hospital Business Office

Mrs. Elaine H. Tunstall has joined the evening staff of the Hospital Business Office insurance department. She replaces Mrs. Barbara Davies, who has moved from Durham.

Nursing Service

Miss Norma Harris has returned from an educational leave of absence and is working with the Renal Transplant Team.

Mrs. Verna Sticht has recently returned from two years in Iran and is working with Dr. W. W. Spradlin in the Day Unit (see article, page 3).

Occupational Therapy

Dorie Milner has been selected to serve part-time as an occupational therapist in the Day Unit, opened in February by the Department of Psychiatry (see article, page 3).

Pediatrics

We would like to welcome Mrs. Jackie Greenway as a new secretary in Pediatrics. Jackie, who formerly worked in the X-ray Department, is replacing Susan Strickland who left the Department of Pediatrics in January.

The Department would also like to welcome a new lab technician in the Pediatric Lab, Mrs. Linda Billings. Linda transferred from the Pediatric

Outpatient Department where she was appointment secretary. Mrs. Lee Shepperson replaced Linda as appointment secretary.

Department of Psychiatry

Miss Lynda Lowery has joined the staff of the Day Unit as a psychology assistant.

New secretarial staff includes: Miss Karen Carlson, Inpatient Service; Mrs. Jean Pace, EEG Lab; Miss Jill Galloway, Sensitivity Research; and Miss Della Bouchard, Child Guidance Clinic.

New technicians are: Mrs. Mary Jane Huneycutt, Dr. Feather's lab, and Mrs. Jeanne Burnett, Psychophysiological Lab.

SPDC

Mrs. Jane O'Brien is now with the Compensation and Liability Office.

Department of Surgery

Those who have recently left and those who will soon be leaving the Department of Surgery are: Margot Crossland (Rehabilitation Office), Katherine Kiser (Department of Surgery office), Jacquelin Lancaster (Neurosurgery), and Linda Scroggie (Rehabilitation Office).

New employees in the department include: Maureen Baba (Ophthalmology), Ann Lesane (secretary in the Duke Thromboembolic Unit), and Mary Mooney (Department of Surgery office).

Rose Hagen is transferring from the Surgical Resident's Office to Dr. Donald Silver's office.

ON THE GO

Dietetics

Miss Dorothy Tate, Director of Dietetics, was guest speaker at the monthly meeting of the Raleigh Dietetic Association on March 15. She also participated in the Food Service Supervisors Institute held in Raleigh on March 30-April 1.

Occupational Therapy

Dorie Milner will be going to New Orleans, La. on May 16 to attend a training institute on "Group Processes for Psychiatric Occupational Therapists." Dorie expects the training institute to be very helpful in her new work in the Duke Day Unit (see article, page 3).

Mary Lennon has recently returned from Evanston, Illinois, where she took a week's course on "Upper Extremity Prosthetics" at Northwestern University. Following the Evanston trip, Mary vacationed in Wisconsin.

Physical Therapy

Sue Espenshade and Emy Villanueva attended the APTA-VRA workshop for physical therapy teachers which was held in Lincoln, Nebraska March 28-April 2.

Helen Kaiser was a member of the joint accrediting AMA-APTA team which visited the School of Physical Therapy at Boston University, February 9-12.

Department of Surgery

Dr. Gardner reports from Florida that he is enjoying fishing and relaxing. We all miss him and look forward to his return!

Mrs. Jackie Gutekunst, research secretary in the Division of Urology, and Miss Ginny Jordan, secretary to Dr. James F. Glenn, have recently returned from a meeting held at Roswell Park Memorial Institute, Buffalo, N. Y. The meeting was attended by secretaries who will be involved in the Surgical Adjuvant Bladder Project. Duke is one of eleven medical centers participating in this project.

PLAUDITS

Physical Therapy

Miss Eleanor Flanagan has been reappointed by Governor Dan K. Moore to the North Carolina State Examining Committee of Physical Therapists. She will serve a three year term.
