Mrs. Marie Lawson returned to work in the Urology Clinic in January, and we are delighted that she has done so well since her accident. Over 400 people paid a visit to the April 15 open house held by Physical Therapy. Most of this number were high school students from Durham and neighboring counties. Those present were shown facilities in the Department and were told about the P. T. educational programs at Duke. Congratulations on the obvious success of the open house are extended to the Physical Therapy staff. **Brenda Dickerson**, secretary in the Allergy Lab, is engaged to **Tommy Woodruff** and will be married February of next year.

Manager Honored

Congratulations are in order for **Warren E. Wagner**, manager of the Hospital Storeroom for the past nine years and an employee of the University for eighteen years.

Mr. Wagner has been named to the executive board of the newly formed North Carolina Association of Hospital Purchasing Agents. The Association was organized at a meeting held April 19 in Roanoke, Va., at which time new officers were elected and bylaws were approved. There are 35 charter members of the Association.

Hot Shots Are League Champs

The Hot Shots are the team champions of the Duke Medical Center Bowling League, which has completed play for the season. The League consists of eight teams.
