In Physical Therapy, we welcome Robert Federchuck, clinical supervisor and Judy Schelegel, staff physical therapist. Congratulations to Miss Bette Busch who is engaged to Dr. Benedict Maniscalco. And Mrs. Grace Horton has a new baby girl.

Mrs. Sue Evans will be retiring after 10 years service at Duke Medical Center. She served as registrar in the Medical Outpatient Clinic for seven years and as clinic registrar and receptionist for the Psychiatric Outpatient Clinic for three years. She has mothered everyone from doctor to secretary with her warm and sparkling personality, and was willing to listen to anyone's problem. We wish for Mrs. Evans a relaxing and happy retirement.

PROFESSIONAL NEWS

Mary B. Campbell, CRNA, Director of the School of Anesthesia, participated in the annual meeting of the Virginia Association of Nurse Anesthetists in Winchester, Virginia, May 23-25. Her paper was "A Travelogue to Dreamland", about pre-anesthetic psychology for children. The 4th National Forum on Hospital and Health Affairs was held at Duke May 17 and 18 by the Graduate Program in Hospital Administration. A workshop on "Orthopedic Nursing" was held Thursday afternoon May 2 with Dr. Lenox Baker in charge. Appearing along with Dr. Baker were Dr. Frank Clippinger, Dr. Frank Bassett, Dr. Donald Bassett all of the Orthopedic staff at Duke.

Dr. Joseph A.C. Wadsworth attended the American Ophthalmological Society Meeting May 29-May 31 in Hot Springs, Virginia. Dr. Wadsworth has an honor in being named to Who's Who in America. Dr. Peter Burkholder attended the "Complement Workshop" in Boston, Mass., June 3-5. There is an article regarding the Physician's Assistant Program in the May-June issue of American Journal of Nursing, by Miss Thelma Engles.

Helen Kaiser, Director of Physical Therapy and Associate Professor of Physical Therapy at Duke, will present the Fifth Mary McMillan Lecture on June 5, during the 1968 Annual American Physical Therapy Association Conference in Chicago.

Participating in the Tri-State Medical Technologists Convention held in Asheville, N.C., May 3-5 were four speakers from Duke University. Approximately 500 technologists, pathologists, students and laboratory personnel attended this first regional joint meeting of the North Carolina, South Carolina and Tennessee Societies, affiliates of the American Society of Medical Technologists.

Dr. J. Leonard Goldner and Dr. Ralph Coonrad attended a joint meeting of the American Society for Surgery of the Hand with the French Hand Society and the British Hand Society in both London and Paris and Portugal from May 4 to May 14, 1968. Dr. Goldner presented a paper concerned with management of rheumatoid arthritis of the hand. Dr. Coonrad presented a paper concerned with management of unusual fractures of the digits. They both also visited a special hip center, Cochin Hospital in Paris, as guests of Dr. M. D'Aubigne.

On June 1, Dr. Goldner, Dr. Lenox D. Baker and Dr. Ralph Coonrad participated in a conference sponsored by members of the North Carolina Bar Association, the North Carolina Academy of General Practice, and other members of the Medical Society of the State of North Carolina. This conference was about medical-legal problems of interest to doctors and lawyers. Dr. Goldner discussed preparation of medical reports for use by attorneys, Dr. Baker discussed the role of the expert medical witness, and Dr. Coonrad discussed communication between physician and attorney.

Dr. Frank H. Bassett attended a meeting of the Piedmont Orthopedic Society in Point Clear, Alabama, participating in the presentation of Orthopedic material. Dr. John Glasson currently is President of the Piedmont Orthopedic Society and presided over this annual meeting.
