## OR Employee Leaves After 22 Years Here

A 22-year employe of the hospital retired last month.

Mrs. Cornelia Chamblee, who has served as operating room secretary for 15 years, said she hopes to be able to spend more time with yard and garden work now that she has quit working.

Mrs. Chamblee was honored at a party given by the OR staff last month. Her friends presented her with an engraved silver tray as a going-away gift.

Prior to beginning duties as OR secretary, Mrs. Chamblee served as ward secretary on Holmes.
