Auxiliary Holds Membership and District Meetings

The Duke Hospital Auxiliary participated in the District 4 meeting in Durham and sponsored a membership meeting this month.

The District 4 session of the N. C. Council on Auxiliaries was held October 9 at Blair House.

Main speaker was Dr. John Altrocchi, professor of medical psychology at Duke, talking about "Mental Health, Problems in Living and Prevention of Self-Destructive Behavior."

The afternoon meeting of auxiliaries from the district heard a discussion of their possible roles in the care of the aged in hospitals by Dr. John Nowlin, assistant professor of community health sciences.

The yearly membership meeting of the auxiliary was held October 22 at the Graduate Center.

Featured speaker for the meeting was Nancy Coble, a participant in Duke's Project Nicaragua. Miss Coble is a junior history major at Duke.

During the business part of the meeting, the auxiliary approved the slate of officers for 1970.

Named were the following:

President--Mrs. George Maddox
First Vice President--Mrs. Roland Wilkins
Second Vice Pres.--Mrs. Samuel S. Wiley
Recording Sec.--Mrs. Brainerd Currie
Corresponding Sec.--Mrs. William Hudson
Treasurer--Mrs. Robert Colver
Historian--Mrs. Henry Emerson

Appointed to three-year terms on the nominating committee were Mrs. Cary Cole, Mrs. Harold Silberman and Mrs. Stanley Porter.

RENOVATION--Workmen are busy renovating four operating rooms to bring the total in the Duke OR suite to 18. (photo by Bill Boyarsky)

Beginning next month, *Intercom* will revive a series on the men for whom the hospital wards were named.

The series was begun in 1966 and seven of the men's biographies appeared. We will continue where the 1966 articles ended and possibly reprint those seven already done at the end.

Next month's issue will feature Harvey Cushing.
