**MONEY TALK\$, BUT DOESN'T \$MILE**—Things aren't really as somber as the participants here might lead you to believe. In fact, Mrs. Toni Phillips and Dr. Charles Roe both have something to be happy about. Mrs. Phillips is manager of the Duke Credit Union which has just passed the \$500,000 mark in loans. And Dr. Roe, an associate in pediatrics, was the one whose loan, for a car, brought the Credit Union total to the half-million point. Money for many purposes—from new cars to consolidation of debts—is available at the Duke Credit Union in Room 01C of the Student Union. The phone number is 6704. (photo by Dave Hooks)

## Nursing Students Recognized

Seventy-four sophomore, junior, and senior nursing students were honored for academic achievement at a reception November 21 at Hanes House.

All had been recognized by selection to the Dean's List or had received other honors during the year.
