

## Now a Department

Because of confusion over the word "library", medical records has adopted the name Medical Record Department instead of Medical Record Library as was previously used.

Employees are asked to make a distinction between the Medical Record Department and the Medical Center Library when telephoning or sending mail.

### Intercom Reporters for February

Departmental reporters contributing to this issue's "Professional News" and "Intercomments" columns include:

*Sheila Blackley*, allergy and chest; *Col. D. C.; *Virginia Jordan and Leigh Haire*, urology; and *Jonelle Gordan*, veterinary medicine.

### Attention Senior Nursing Students

Senior nursing students are invited to submit entries in the national fourth annual *RN Magazine* writing contest. First, second, and third prizes are \$500, \$300, and \$100, respectively.

Articles may be in any literary form, but all subjects must have some nursing connection. Entries are to be between 800 and 1,500 words.

Senior students interested in entering should send their articles to Student Awards Editor, *RN Magazine*, Oradell, N. J., 07649. Deadline is April 30.

Licensed practical nurses who are interested in taking the one-year post-graduate program in operating room technique should contact Harry Brown, OR administrator, by February 23.

MISS BODIE

MRS. EWINGS

MISS STEELE

## Miss Bodie, Three Other Nurses Promoted

Miss Geraldine Bodie, R. N., who has been serving as assistant director for nursing in charge of medical nursing, has been appointed director of systems and methods improvement for nursing service.

The aim of the new position, according to Miss Bodie, is to improve delivery of patient care.

She will work in a variety of areas as a liaison from nursing to set up more efficient methods of getting services to the patient. Present plans call for her to begin working with Mrs. Betty Danziger on improving the system of admitting patients, and with Dr. Frederick Graybeal in planning central clinical laboratories. In addition, she will be in charge of reorganizing ward manuals and nursing

procedure books.

Miss Bodie, who received her A. B. degree from Lenoir Rhyne College in Hickory, N. C., is a graduate of the Johns Hopkins School of Nursing. She completed her master's degree in nursing administration at Case Western Reserve University in Cleveland in 1962.

She came to Duke as a staff nurse in 1952 and also at one time served as head nurse on Osler ward.

Miss Nancy Gray, R. N., was promoted to clinical supervisor of medical wards.

Named clinical supervisor of surgical wards on the 11 to 7 shift was Mrs. Jackie Ewings, R. N.

Also promoted was Miss Rosa Steele, R. N., who is now a clinical nurse II.
