L.P.N.'s at Convention

About twenty-five licensed practical nurses from Duke attended the North Carolina L.P.N. Association convention at Grove Park Inn in Asheville May 8-9. The local L.P.N.'s chartered a bus to make the trip.

New officers of the L.P.N. Organization at Duke were installed by Mrs. Mary Adams, president of the North Carolina association, at the April meeting in the amphitheater. The president is Mrs. Dorothy McNeil.
