## CU Hits Million Mark

The Duke Credit Union, established in April, 1968, gave out its millionth dollar in loans recently.

The history-making loan, appropriately enough, was for Christmas shopping.

It went to Leroy Lynn, a Duke dining hall employe for more than 20 years.

The Duke Credit Union provides a high-savings plan and low-interest loans for its members. Only Duke employes and members of their immediate families are eligible to join.

If you want more information on the Credit Union, visit the office at O1C Union Building or call them at extension 6704.

**SCHOOL IS OUT**—These eleven men and women graduated from Duke's 15-month certificate program in physical therapy December 3. It was the last certificate class, since the PT program is now offering only a two-year master of science degree. From left to right, first row, are Miss Martha Urrows, Miss Linda Miller, Marc Gelin, Miss Nina Adams, and Miss Suzanne Delker. Second row: Miss Susan McCrery, Miss Martha Ellsworth, Miss Marianne Moore, Miss Celeste McNabb, Miss Sherry Copeland, and Mrs. Christine Hagenberger. (staff photo)
