## Miss America Arrives In Whiteville For Exposition

Debra Dene Barnes, Miss America of 1968 arrived in Whiteville Thursday November 9 to participate in the 3rd annual Merchant-Farmer Exposition.

At a press conference held Friday afternoon at the Heritage Inn in Whiteville Miss Barnes said "I thought about being Miss America when I was a little girl but it seemed very unlikely." "Having to adjust to contact lens," Miss Barnes stated, was one of the problems she faced as a serious candidate for Miss America. Prior to her entry in the pageant she wore glasses.

Miss Barnes plans to travel about 250,000 miles this year. Traveling does not seem to present many problems to her. "I am given sufficient time to pre-

pare for each appearance and I wear the same clothes over and over" Miss Barnes said. She further stated "of course you don't know that I wear the same costume over and over."

Miss Barnes plans to major in music after her reign as Miss America. She likes the long-haired music and believes one should be careful in his criticism of the different forms of music.

Highlighting the press conference was the presentation of a "Key to the City" of Whiteville by Horace Whitley, mayor. Dick Marney, commissioner of Whiteville presented Miss Barnes with a "special gift" making her an honorary Tar Heel.
