College Players To Present "Bus Stop" - To Run 4 Nights

"Bus Stop," a three act play by William Inge, will be presented by the College Players in the lecture auditorium

November 13, 14, 15 and 16, at 8:15 p.m. The play is under the direction of Mrs. Almeda Viets. Taking place in a street corner

restaurant near a small Kansas Town Bus Station, the action begins at 1 a.m. and lasts until around 6 a.m. The action takes place due to the hold up of a bus to Topeka, and centers around three love stories, each an entirely different type.

Characters in the play are: Bo Decker (Mayo Kissam), a young, rather loud cowboy, madly in love with a chanteuse that has really been around. The chanteuse named Cherie is played by Judy Ivey.

Other characters in the play are Grace Hoylard (Ann Warren) a grass-widow who is owner of the restaurant. There is also Carl, the bus driver (J. B. Lee), who is interested in Grace, or is it her bedroom?

Dr. Gerald Lyman, former professor who now holds the title of public drunk, is played by Jack Council. He has, or pretends to have a thing going for Elma (Judy Hayes), a young, rather innocent waitress.

One of the most needed characters in the play is the sheriff, Will (acted by William Lambert.), the stern, but good-hearted man who believes in doing his duty. Another needed character, or needed to Bo, at least, is Virgil (Charles Gore), a sensible ranch hand who has reared Bo since he was ten and is still trying to call him down when the need arises, which is very often.

Packed with action, from love-making to fighting, the cast and Mrs. Viets agree that "Bus Stop" is a play that everyone will enjoy seeing. "The play cast is working very hard to put all the action into the play that really belongs in it which will really make the play a tremendous success if a large audience is there to cheer the players on, so everyone come," says Mrs. Viets.

Tickets for adults will be sold in different stores or posts in the surrounding towns. All students from surrounding schools may purchase a ticket for half price.

All of the cast invites you to come and witness this action packed play. They feel you won't regret coming.

"Poor Dr. Lyman!," "Bus Stop's" drunk, has finally passed out after his last fifth.

"The above scenes represent more action from the play 'Bus Stop,' these were taken at rehearsal, the actual staging will be Nov. 13-16.

Gerald Goodman, troubadour-harpist, will perform tonight at 8:15 p.m. in the Lecture-Auditorium.

Harpist To Perform In Concert Tonight

Gerald Goodman, one of the foremost harpists of our times, will present the second performance in the Fine Arts Concert Series tonight at 8:15 p.m. in the Lecture-Auditorium.

In the romantic tradition of the wandering troubadour, Goodman has concertized widely throughout his native United States and Canada. Recognized as one of the foremost harpists of our time, he is the only man who sings and accompanies himself on a concert harp. His appearances with leading orchestras in Carnegie Hall and frequent Town Hall recitals have

been marked by capacity audiences.

Mr. Goodman adapts ancient legends and ballads to his own musical settings. His selections in the concert will include Greensleeves, Shenandoah, Casey Jones, Try To Remember, They Call The Wind Maria, Camelot, French Folk songs and other numbers.

Full-time students will be admitted free upon presentation of his library card at the door.

A reception for Mr. Goodman will be given after the concert by SCC Women's Club in the auditorium lobby.

"The Victors" Next Movie

"The Victors" starring Vincent Edwards, George Hamilton, George Peppard, Romy Schneider, Peter Fonda and others will be presented Monday, November 11 at 7 p.m. in the Lecture Auditorium.

This overpowering and completely absorbing film tells the manner in which men lose something of themselves while winning a war. These are the men and women who find themselves trapped and changed, morally and emotionally, by the tragedy of war. Their several stories, their temporary liasons and desperate efforts to find meaning in their own lives and in the lives of others, are told with sensitivity and compassion.

While the film follows in the footsteps of a squad of American soldiers from the early days of the Battle of Britain to the uneasy peace in the divided city of Berlin, it is not a story of battles but of people. While the soldiers wear American uniforms, they represent all men regardless of uniform. Brilliantly performed, alternately shocking and tender, brutal and moving, the impact of this film will not easily be forgotten.
