

SOUTHEASTERN COMMUNITY COLLEGE'S RAM CAGERS

Mehta to perform

Dady Mehta, renowned pianist in classical and contemporary music, will appear in concert November 4, as the second feature of the Fine Arts Program in the SCC auditorium. Mehta was born in Shanghai of Indian parents, and received his first musical education there.

At the age of seventeen, he went to Paris, where he continued his musical studies

and earned the Artist's Diploma from the Ecole Normale de Musique in two years. Mehta then studied under Brune Seidlhofer at the Vienna State Academy of Music; his graduation recital received the school's honors. He was recognized as a Beethoven disciple at the time of his debut in Vienna, in 1958.

Strong Reserves

The ore reserves of International Nickel contain some 12,370,000,000 pounds of nickel and 7,890,000,000 pounds of copper. Because of an extensive exploration program, these reserves increase nearly every year in spite of record nickel production and deliveries to the free world's industries.

We make a living by what we get, but we make a life by what we give.

am doing more research on rice, dealing with the profitability of rice planting."

Clifton is one of twelve authors chosen yearly, from historians throughout the state, by the North Carolina magazine to have their research works published.

Worry has been defined as mental handwringing.

What do you think about legalizing grass?
The legalization of grass, I think, is out of the question. It would give access to it much too freely.

Rudine Smith
Nursing

I'm for it. I believe that if it were legal it would cease to be the "big deal" it is today. It would become something you could either take or leave and not a means of "Proving a thing". Of course I can say this, since it's a known fact that marijuana is not habit forming.

Patty Silva
Freshman

I don't think it should be legal because it would give more young people a chance to use grass. I am strictly against it.

Kathy Barnes
Sophomore

I really don't feel that grass should be legalized. Its legalization would probably lead to the legalization of other drugs which are more harmful.

Julia Caines
Freshman

think they should make grass legal or make liquor illegal. Because grass is less harmful than liquor. People who want grass are going to get it. If it is made legal, they won't have to go through so much to get it.

Dale McPherson
Freshman

I don't think it really matters. From what I've heard, they're going to get it anyway.

Edwin Hatcher
Sophomore

Grass has been legalized in Canada and later elsewhere. Because it has been introduced to the young and they dig it, they will also do their best to have it legalized.

Gary Michael
Freshman

Editors note: This is the student's opinion. According to the State Bureau of Investigation in Raleigh, Canada has not legalized grass.

Historian Published

James Clifton, history professor at Southeastern Community College has recently published a reserch paper, "A Half-Century of a Georgia Rice Plantation" in the NORTH CAROLINA HISTORICAL REVIEW.

The article is centered around rice planting by Charles Manigaults who was perhaps the wealthiest of rice planters in South Carolina. Clifton began his research in the summer of 1968 at Duke University and the University of North Carolina at Chapel Hill. He also worked at the Charleston, South Carolina, Historical Society and the Rice Museum at Georgetown, South Carolina.

Clifton and his wife, also a member of the faculty, spent their weekends at different locations in South Carolina collecting material to be used in compiling his historical paper.

In an interview, Clifton said, "I enjoy doing research on the rice plantations because I like the Coastal areas of South Carolina, and rice is the major product of that area. Presently, I

Here's an exciting Gant shirt called Keats. With a big, bold collar that keeps its composure with nary a wrinkle from A.M. to P.M. Thanks to a great new Gant stay. Precisely tailored in a dramatically striped cotton broadcloth. Distinctively Gant. In varied colorings. Trim tapered body. "The go-with Gant cc."
