

Extramural Champs

With the slow start on the intramural sports this fall one would think the whole idea of intramurals would have vanished, but through the efforts of Mr. Bob Young and some interested students the programs survived and turned out to be some what rewarding.

On November 9, 1972, the first annual Extramural Tournament was held in Goldsboro, at Wayne Community College. The event was designed to bring the best intramural teams in Flag Football, Cross-Country, and Volley ball from all Community Colleges together to compete.

The schools that competed were Wayne Community College, Southeastern Community College, Sampson Technical Institute, and Johnson Technical Institute.

SCC was represented in two events, Cross-Country and Volleyball. Unfortunately our Cross Country runners, Richard Smith and General Johnson were unable to win

their event, the Volleyball team was victorious.

The Volleyball team earned the right to represent SCC in the tournament by defeating some tough Intramural teams on our own campus. The team won four straight games in extramural competition to clinch the championship, the SCC team won their first two games by downing Wayne Community College in two lop-sided contests, then beat the much more experienced Sampson Tech Team in the next two games to insure their championship.

The players on the team were, Co-Captains Ervin Smith and Terrie Bell, Dennis Norris, Mitchell Burney Curtis Clark, Gene Ward and Jay Young. The teams Advisor was Mr. Bob Young.

Extramural tournaments of this type will be held at the end of each Quarter at different sites. Get involved today and bring some more Extramural Championships to SCC. —BY Curtis Clark

Season's Greetings

Ram's slip past Sandhills: 91-82

Players	F.G.	F.T.	Total
Geter	9	3-5	21

Williams	0	0	0

Half Time: UNC 47, SCC 31

Sports

The 1972-73 Basketball season is now two weeks old and along with it the fans have been exposed to a team that is phenominal. This years team promises to be one of the best SCC has ever had. It is centered around four returners, two from last years team which posted an overall record of 24-3 and two from the 1970-71 team. This years record is presently 4-1.

Last years record and a conference Co-Championship will be hard to equal, but Coach Walsh is confident that this years team can live up to everyones expectations. Coach Walsh stated that, "THIS YEARS TEAM SEEMS TO HAVE MORE DESIRE AND HUSTLE THAN LAST YEARS." These two things could be determining factors in the final results of the season.

The years team consist of: Robert Geter, Sophomore, 6-foot-5, forward, from Columbia, S.C.; Frank Alston, Sophomore, 6-foot-6, also from Columbia; Dennis Wilson, Guard, Sophomore, 5-foot-11, from Shallotte; William (Red) Lane, 6-foot-3½, forward-guard, from Columbia; Sidney Haggins, Freshman, 6-foot-3, forward from Fairmont; James Rhett, Freshman, 5-foot-9, guard, from Columbia; Donald Majors, Freshman, 6-foot, forward, from Bronx, N.Y.; Richard Williams, freshman, 6-foot-2½, from Southport; Ricky Parker.
