 Charles A. Hines, Attorney.

impressive ceremony was performed by the bride's father. The party left the church to the strains of Mendelssohn's Wedding March.

The bride is a charming and accomplished young woman, a member of Class '04 of Elon College, and youngest daughter of Dr. W. W. Staley pastor of Suffolk Christian Church, and who for eleven years was president of Elon College.

She is a great favorite among her wide circle of friends, and is loved for her beautiful character.

The groom is one of Franklin County's most successful and popular young attorneys. He has served two terms as State Senator, and is now filling the office of Mayor of Louisburg, in a most creditable way. He is the son of Mr. John Holden, a prominent business man of Youngsville.

Senator and Mrs. Holden accompanied by the bridal party and a number of friends, left by automobile for Youngsville, immediately after the ceremony. There amid many congratulations and farewells they took the train for Jacksonville, New Orleans, and other Southern cities. After December first the happy pair will be at home in Louisburg.

**ANNOUNCEMENT OF MARRIAGE.**

The announcement of the marriage of Miss Clara Moffitt, of Asheboro, sister of Ex-president Moffitt, to Mr. Charles Cook Howell, of Jacksonville, Florida, comes as small surprise to those who are acquainted with the "inside of the game" of Elon's happenings.

The marriage will mark the goal of a happy romance begun when the bride-to-be was a member of the all-wise class of this institution, while her knight was still struggling to get his feet firmly established on Elon soil, and spent many sleepless nights wondering "what will they do to a freshman like me?"

The wedding will take place on January eighteenth, nineteen hundred and eleven, at Asheboro, N. C.

Life is short and we have never too much time for gladdening the hearts of those who are traveling the dark journey with us. O! be swift to love, make haste to be kind.—Amiel.

Charity begins at home, but it ceases to be charity if it ends there.

Amount to be raised, \$10,000.00

Total pledged to date, \$40,000.00

The light that shines farthest abroad shines brightest nearest home.

**SPECIAL FUND**

To Clear the College of Debt—A Challenge to the Liberality and Loyalty of our Brotherhood.

Six years ago by order of the Southern Christian Convention, the Board of Trustees of the College borrowed \$47,700 with which to build a new dormitory for girls and install a steam heat, electric light and water plant for the College. These improvements were absolutely necessary to the life and development of the College, and now it is equally necessary that the money to pay this debt be raised before the bonds by which it is secured fall due in 1916. It is a challenge to the heroic, to the loyal, and the liberal spirit of our Brotherhood to do this great thing. Our people are moved in this direction as never before and are determined, by the grace of God, to clear the institution they love of debt and so enlarge the sphere of its usefulness and power. In this endeavor President Harper is now in the field and is meeting with much encouragement. The Christian Sun will carry each week from now on a list of contributors to this fund. The plan as outlined at the Suffolk Convention is to get the friends to subscribe so much a year for five years, thus making the raising of the sum easy and a response within the reach of all. No worthier cause than this ever offered itself to a large-hearted and generous people, and the money given to this end will do good for ages and ages to come.

Pledged since Nov. 11 in the Western North Carolina Conference:

**High Point.**
