### Maroon and Gold Eleven Loses To Wake Forest

**In Hard Fought Game—Elon's Team Puts Up a Game Fight, With All the Breaks of the Game Against Them.**

Elon's gridiron warriors met defeat at the hands of Wake Forest last Saturday by the score of 27 to 0. The Maroon and Gold eleven put up a spirited fight against their heavier opponents, and only hard luck prevented their scoring. Twice they worked the ball down to their five-yard line, only to lose it through some break of the game.

Wake Forest received Elon's kick-off, and Smith downed the man in his tracks. Wake Forest failed to make first down and the ball went over. A good end run by Cannon, and line plunges by Newman, Perry and E. Johnson carried the ball to the 20-yard line. There it was lost on downs. On the next play Rabenhorst broke through and made a brilliant run down the sideline for a touch-down. W. F. failed to kick goal.

Elon received the kick-off, and fumbled under their goal. Perry's punt was blocked and the ball rolled behind the goal, Johnson falling on the spheroid. W. F. claimed a touchback on this play, but of course its claim was not valid. The quarter ended with the ball on Elon's 20-yard line. Up to this time Elon had made all her forward passes good and had advanced the ball constantly on this play.

The next goal was scored when Rabenhorst intercepted Elon's forward pass on the five-yard line and made a 40-yard run. A forward pass and end runs carried the ball over for another touch-down. W. F. kicked goal.

Elon received the next kick-off, and advanced the ball down the field, finally losing on downs. Heckman then went to the backfield for W. F., and after several

### "Peppy Pep Meeting" Held in Chapel

**An Extra Coach on Train 144 for Trinity Game and a Special Train for the Guilford Game Assured.**

Last Thursday night, prior to the Wake Forest football game, Elon staged one of the best pep meetings of the year, the object being to discuss the coming games, to see whether the student body would attend those with Trinity and Guilford.

The meeting was called to order by Professor Hook, who, after a few remarks introduced last year's football captain, L. M. Cannon. Mr. Cannon compared this year's team with last year's, and at the end everybody agreed that our prospects are decidedly better than they were last year. The next gentleman to appear before the audience was this year's captain, Mr. S. J. Perry, who gave some very good remarks. Our coach, Mr. F. B. Corboy, then gave us some very valuable information about the game and our team.

We were then favored with a few songs by the entire team, which occupied the seats on the stage.

It was then unanimously voted that our center should address the audience. After much persuasion Mr. Odom consented, and closed the meeting with a few timely remarks.

One thing is certain: a good number of students are going to the Trinity game, and practically the entire student body will go to the Guilford game. An extra coach will be attached to 144 for the Trinity game, and a special train will be run to Greensboro for the important game with Guilford.

### CLIO PROGRAM POSTPONED

### Music Faculty Gives Delightful Recital

**College Entertained by Elegant Program.**

#### The Faculty Recital.

Something really happened at Elon Friday. What? Our annual Faculty recital. Friday evening the students of Elon had the pleasure of hearing one of the best recitals ever given at the college, that of our Music Faculty. Quite a number of students and visitors were present. The program was opened by Professor Betts, who played Beethoven-Seiss' "German Dances." He played as he teaches. We cannot say too much for him. Miss Fisher showed her wonderful singing ability in all her numbers. She has a sweet, clear, rich voice. She acts her songs as the actor acts his part.

Miss Smith showed her unusually light touch in "Rondo Capriccioso." She played with admirable ease, and in her last number showed her power in the strength and fullness of her tones.

Mr. Alexander delighted his audience as usual. He has a fine baritone voice and used it well in all his numbers.

Mrs. Sturm and her violin are one, each having the soul of the other. She showed wonderful skill in her first number, "Romanze," but in the beautiful Czardos she carried us on and on into the world of delight. Her music was greatly enjoyed.

The program was as follows: Beethoven - Seiss — German Dances: Allegro moderato, Allegretto grazioso, Allegro risoluto — Mr. Betts.

Tschaikowsky — "Farewell" — Recitative and Aria (from Jeanne d'Arc). Dell' Acqua — Chanson Provencale — Miss Fisher.

Mendelssohn — Rondo Capriccioso, op. 14 — Miss Smith.

Lully — Bois Epais, Air from "Amadis" (Sombre woods). Altsen — Oh! For a Burst of Song.
