Hike and Camp Supper—Miss Fisher and Professor Betts Honorary Members.

Wednesday of last week the Beta Omricon Beta club gave a camp supper in honor of its two honorary members, Miss Florence Fisher and Professor E. M. Betts.

Leaving the college campus about 5 o'clock the club hiked happily down the road about a mile and then turned off to a secluded spot a short distance from the road. Here they at once set about building the fire to cook supper.

Great amusement and some fright was created among all when a cow that was tethered nearby threatened, by her vain attempts, to join the party. So serious was the situation that they considered moving the camp, but their problem was solved by the removal of the cow.

Finally supper was ready and besides "eats," jokes and riddles were the order of the occasion. After a bountiful supply of both, the new members were initiated, causing more merriment. All joined in the games which were played in the beautiful moonlight.

The group then gayly tripped its way home amid songs and laughter.

Those present were Professor E. M. Betts, Misses Florence Fisher, Essie and Della Cotten, Victoria Adams, Patty Coghill, Mary Graham Lawrence, Effie Bowden, Mary Hall Stryker, Sarah Carter, and Mesdames C. M. and L. M. Cannon.

Bear Cats Lose 42-0

The Elon "Bear Cats" journeyed to Oak Ridge Institute last Saturday for their first game. Lack of organization cost them a defeat of 42-0. The Oak Ridge team showed up well on line plays and end runs. The Elon boys showed good fight but were outweighed.

UNDERWOOD MEETS WITH AN ACCIDENT

Struck by an Automobile in Driving Rain and Suffers Many Painful Bruises.

An accident occurred here Monday afternoon about 5 o'clock, when, in a driving rainstorm, a car struck G. D. Underwood and knocked him down, inflicting bruises on the head.

It seems that Mr. Underwood was running with his head down to escape the rain, and when the driver of the car saw him it was too late to avoid the accident. She swerved quickly to the right and avoided a direct collision, but the car side-swiped Mr. Underwood.

Mr. Underwood is able to be out now and it is expected that no serious injuries will result, though it will take a few days for the bruises to heal.

"I taught school among my own people in the Tennessee mountains for several years after I graduated from college," a Southern lecturer says, as reported by a subscriber to the Outlook.

"Funny things happened. Hearing a boy say, 'I ain't gwine thar,' I said to him, 'I am not going there; thou art not going there; he is not going there; we are not going there; you are not going there; they are not going there. Do you get the idea?'"

"'Yessur, I gits it all right. They ain't nobody gwine.'"

ELON TEAM WILL PLAY LENOIR COLLEGE TODAY

(Continued From Page One)

The scrub team, popularly known on the campus as the "Bear Cats," will go to Sanford on Friday morning and that afternoon give battle to the high school boys there. Smarting under their defeat at the hands of Oak Ridge, they are determined to take their revenge out on the Sanford Highs. As one of the "Bear Cats" remarked, the hatchet with which they were to scalp the Oak Ridgers was forgotten and left at home, but will without doubt be packed along on this trip.
