L. D. Martin Granted Fellowship at Yale

Is First Elon Student to Hold Fellowship at That University—Will Teach History.

L. D. Martin, who graduated from Elon in 1919, has been accorded a fellowship at Yale University. Mr. Martin received his M. A. from the University of North Carolina, and has since been a high school teacher at Townsville, N. C.

He is the first Elon student to receive a Yale fellowship. Other Elon students have gained distinction in that University, and have held various scholarships, but none have so far held a fellowship. This fellowship which has been accorded to Mr. Martin will carry with it not less than \$600.

He will be associated in the department of history, in which he expects to do work, and in which he has already had graduate work.

Elon is distinctly honored in having one of her sons hold such a position in so distinguished a university. Yale has always stood for the highest scholastic standards, and the appointment of Mr. Martin reflects credit on the fine work of the college here.

ELON CLUB ORGANIZES

I am authorized to write and tell you that the Elon students who are attending the summer school met on June 27 and organized an Elon Club. Professor Johnson was elected president and Miss Edna McNally vice president. The following are members of this club: Misses Mary Nell Holland, Lois Holland, Nettie Sue Tuck, Pearl Tuck, Janice Fulgham, Edna McNally, Frances McElroy, and Messrs. Johnson, Carl McNally, Howard, M. L. Patrick and Roy Helms.

Picnics and parties and a trip over the Blue Ridge have already been planned. It is also planned to have outings with other college groups from Carolina and Virginia.

ROY HELMS.
