HATS! HATS!! HATS!!!

YOUR LAST YEAR'S HAT TURNED INTO NEW

Ladies' and gentlemen's hats of all descriptions steam cleaned, re-blocked and dyed; beavers and velours a specialty. The cost of cleaning is very low and saves you the price of a new hat. Not a bad idea, is it, in these thrifty times?

## Psiphelians Render Interesting Program

MEETING IN RECEPTION HALL

Dialogues, Short Stories and Music  
Enter Into the Evening's  
Entertainment.

The Psiphelian society met for its second session this year, in the reception hall, Monday night. The society members had put their whole hearts into the preparation of the program and it proved very interesting.

Miss Mabel Cheek read an essay on "Curiosity." The paper was interesting and educational. A very humorous dialogue was rendered by Misses Louise Caston and Sarah Carter, "Off to College." It was very interesting.

A piano solo was rendered by Miss Margaret Rowland. She has a wonderful talent for music and the society always enjoys her work. A short story was given by Miss Chiyo Ito, "A Lone Star." The story was interesting and Miss Ito held the attention of her audience.

An enjoyable number was given by Miss Mamie Sockwell, being a collection of interesting current and local events. Her number was very spiev and her choice of items was very good.

### ELON AND DAVIDSON OPEN STATE FOOTBALL SEASON ON SATURDAY WITH FIRST COLLEGIATE GAME

(Continued from Page One)

considerable ability in fitting in either as lineman or in backfield. Where he will be used in the coming contest has not been decided. He has been suffering considerably from bumps and bruises but has gamely stuck to his post.

The backfield is a great problem, but the greatest seemingly is the position of quarterback. Captain McAdams and Kirkland have been worked some at this important position and it will be hard to tell which will get the call in Saturday's game.

The end candidates are fair, but the loss of Flynn is still keenly felt. Alf Brown, Bob Brown, Elder and Hiatt have been playing these important positions with only mediocre success.

One tackle will likely be taken care of by Smith, who is playing his fourth year on the team. He is having some difficulty in getting down to playing weight, but still looks best of any out for this position. Whitesell, who played guard last year, has been shifted to tackle and is doing fair work although he has not as yet become thoroughly familiar with the position. However, it is expected that he will start in this position. Isley, Thomas, Alston, Barker, Sansone and Cardwell have all been playing guard. If Isley isn't used in backfield he will in all likelihood be sure to start in the guard position. Who will start other guard positions is a question. A. Braxton will doubtless get the call at center, as he proved to be one of the best in the state last year.

Barker, if not used at guard, will at least act as Braxton's understudy. It is a foregone conclusion that Captain McAdams and Kirkland will at least start in the backfield. As to who will be their running mates is a question. Harrell is being groomed to do the punting, and in case he can fill this important position he will likely get the start. Although at present he is suffering with a bruised leg, it is not expected to interfere with his playing against Davidson. Sides, Paul Braxton and Hainer are working hard and it is quite likely that all of these men will get a chance in the coming contest.

This is how Coach Corboy feels in regard to this opening game: "The ability of the team as a whole is as yet an unknown quantity, although the ability and quality of the individuals is for the most part known. Just what they will do under fire I cannot say. But I feel confident that the men in whom I put my faith to carry the colors of their College in this our initial football game, will uphold their own as well as their College's honor, and fight to the last ditch."
