**R. W. UTLEY ELECTED AS PRESIDENT OF SENATE**

Is Elected Tuesday at Mass Meeting to Succeed J. R. Barker—Other Senators Are Chosen.

At a meeting of the men students held here Tuesday afternoon, May 6, R. W. Utley, of Moncure, was chosen to head the Student Senate next year to succeed J. R. Barker.

Mr. Utley is a popular member of the present Junior Class and is well thought of throughout the entire student body. He has always shown an interest in Student Government and has served as a member of the Senate during this year. His experience will no doubt help him in solving some of the problems that will come before him as president of this body.

Mr. Barker, who will be graduated this year, has served faithfully as head of the Senate and there is no question but that the Student Government has had its most successful year at Elon. He has endeavored to bring about a better spirit among the student body and also between the faculty and students. He has had the co-operation of the student senate and the student body. Having succeeded in creating this feeling there is no doubt but that Mr. Barker leaves his successor in a position to do some real work along the line of student government.

The classes have elected their representatives as follows: Seniors—R. W. Utley (president senate), L. V. Watson, W. C. Elder and E. E. Smotherly. Juniors—Paul Braxton, W. A. Seawell and Jack Corbitt. Sophomores: R. L. Hill and E. W. Auman. The next year's Freshman Class will elect its representative at the time of its organization in November.

**LIFE**  
 Forenoon, afternoon and night—forenoon, Afternoon and night, forenoon, and what! The empty song repeats itself—no more? Yea, That is life.  
 Make the forenoon sublime,  
 This afternoon a psalm,  
 This night a prayer;  
 And Time is conquered  
 And Thy crown is won.  
 —Edward Hill.

**Needed Information**  
 A Greensboro High School teacher was trying to explain the meaning of the word "recuperate."  
 "Charley," she said. "When night comes your father returns home tired and worn out, doesn't he?"  
 "Yes, Ma'am," said Charley.  
 "Then," continued the teacher, "it being night and he tired, what does he do?"  
 "That's what ma wants to know," said Charley.
