## Lynchburg Defeats Elon In Hard Fought Game Played On Comer Field Saturday

#### PLAY HARD GAME

Lynchburg Scores in Every Period But the Last and Wins Game by Score of 16 to o.

LAST QUARTER HARDEST

Elon's Tackling is Bad and Virginians Gain Consistently Through Line. Cardwell, Braxton and Byrd Play Well.

Scoring in all except the final quar ter. Lynchburg had little difficulty in defeating the Elon eleven in the first encounter of the season on the home field by the score of 16 to 0. Although the Christians fought hard they were outplayed by the stronger team of the visitors, especially in line plunging and end runs.

Beginning the game Elon elected to kick. Running through the line and around the ends, Ross, McMains and Thomas all making good gains, the ball was advanced to Elon's 20-vard line. where it went over. On the play Kendall blocked the punt of Harrell and recovering the ball raced over the Christians' goal line. For the try at point after goal a place kick was attempted which went wide. During this quarter Ross did some excellent work for the visitors in running back punts. as well as taking the ball around the ends for good gains. Elon had diffi qulty in tackling low, letting many of the Lynchburg men through for good His good work in getting men in Sat-The quarter ended with the ball on Elon's 25-yard line.

On the first play in the second Salo wich dropkicked from the 35-yard line quarter. Lynchburg attempted the aerial game, but after five trials at the air route, four of which air route, four of which fell incomplete and one being intercepted, abandoned that department for the remainder of the game. During the second half Elon First Meeting Held Tuesday Night tightened and played better ball but still was unable to hold the Virginians from occasional gains in which Thomas figured largely, carrying the ball over after a series of plunges. McMains had better luck with his place kick the purpose of organizing a drama club. on this try and placed the pigskin fairly between the uprights.

Twice during the fourth quarter the Virginians threatened to score again the first time Elon holding for downs on the 5-yard line, and the second time the whistle stopped the contest with the ball on Elon's 21-yard line.

# CRITERIONS EXCELLENT IN OPENING NUMBERS OF MUSICAL CONCERT HERE A. I. BRAXTON

Large Audience Hears Quartet Sing Friday Night. Best Quartet Ever Heard at Elon.

SEVERAL GOOD SOLOS

The Criterion Quartet of New York consisting of H. Denton Bastow, tenor; Frank Mellor, tenor; George Reardon, baritone, and Frederick Thomas, basso. accompanied by Miss Katharine Goggans, pianiste, was heard last Friday night in the Whitley Auditorium building of Elon College in the initial number of the concert course of the Music Lovers' Club. A large and most appreciative audience was present, and from the very first moment of the opening number, "Twilight," by Buck, was thrilled by the exquisite beauty of tone, perfect phrasing, and blending of

Each member of the quartet gave solo numbers. Frank Mellor, the tenor, sang "Rodalfo's Narrative" from "LaBohema" by Puccini, and for an encore sang "Duna" by McGill. It would be difficult to comment adequately upon Mr. Mellor's singing. His voice is of that rare type and quality which one thinks of as silvery and bell-like in its clearness.

The Baritone soloist, George Reardon, sang a double number, "Smilin" Through" by Penn and "Volga Boatman's Song" by Bromberg, adding much to the joy of the latter by describing its origin. He responded to an encore by singing "The Crow's Egg," a humorous sketch song, which was much appreciated, especially by the children present. His fine baritone most pathetic characters of the first, ner, Jr. and the dramatic and stirring nature of the second.

The bass soloist, Frederick Thomas, sang "Rolling Down to Rio," by German and an encore "A Man's Song" by O'Hara. Only a rich deep bass voice can bring out the tones in these songs in their fullness, but Mr. Thomas has a most remarkable range and has ample depth and to spare.

About four o'clock the enthusiastic guests, with the hostesses left with utensils and provisions. They joined by Mesdames L. M. and C. M. Cannon. A jolly bunch it was who winded their way through the woods stopping here and there to make pictures and singing between times.
