

## Hampden Sidney Wins Over Elon Fighting Christians In Hard Fought Game Saturday

### PLAYED IN VA.

Elon Scores in Second Quarter  
But Is Unable to Stave off 27  
to 7 Defeat by Virginia  
Opponents.

### WHITESELL PLAYS WELL

Dust and Heat Proves Handicaps to  
Both Teams. Many Substitutions  
Are Used for Both Sides.

The Hampden Sidney Tigers continued their offensive work by winning over the Elon College eleven Saturday afternoon by the score of 27 to 7. Heat and dust proved a handicap to both elevens, but after the first quarter the Tigers opened an offense that was continuous the remainder of the game.

The Tigers annexed thirteen first-downs to Elon's three, and aggregated 313 yards on runs from scrimmage. Out of twelve attempted passes the Tigers completed seven. The Christians were unable to execute but one out of three. Elon tallied in the second quarter after an error in generalship, which resulted in a Tiger punt from behind the goal line going outside on the two-yard line. Elon rushed the ball through center for a goal and added the point after touchdown.

Whitesell was the mainstay of the Elon line, but the inexperienced backfield behind resulted in little yardage for Elon. Captain Blankenship was the outstanding Tiger lineman, while Holladay continued his brilliant work in the back field, running one touchdown a distance of forty-five yards. Richard.

### TWO ELON PLAYERS ARE HURT IN FOOTBALL GAME

In the Hampden Sidney-Elon game Saturday at Hampden Sidney, two of the Elon players were hurt badly.

D. L. Harrell, Elon quarterback, had his left arm dislocated.

Alton Brinkley, a backfield man, suffered a badly smashed knee.

Both these men are getting along nicely now.

Mr. Harrell left for his home in Suffolk immediately after he was injured and remained there until this morning when he returned to school to resume his studies.

It is not known as to whether this injury will keep him out of the game the rest of the season or not. Mr. Brinkley will probably be all right in a few weeks.
