**MAROON AND GOLD SQUADRON IS HELPLESS BEFORE TERRIFIC DRIVES OF HAMPDEN-SYDNEY**  
(Continued from Page 1)

right side of the line for a 35-yard gain. Edmonds and Palmer advanced the ball for 14 yards, ball went over on downs. Harrell punted the ball from behind his own goal for 25 yards. The ball was advanced nine yards on three downs and on fourth down Brinser threw a long pass to Adkins who, after making a beautiful catch, fumbled the ball on the goal line. Captain Dudley fell on the ball for touchdown. Brinser failed to kick for extra point. Turley kicked off for Hampden-Sydney. After an exchange of punts the ball was Hampden-Sydney's on their 10-yard line. A gain of two yards by Palmer and Adkins went around right end for 30 yards. Edmonds made six yards on next play. Palmer drove through left tackle for 20 yards and touchdown. Brinser placed kick for extra point.

Hampden-Sydney again kicked off. An exchange of punts left the ball in Hampden-Sydney territory at end of quarter. The second quarter found the Christians putting up a hard fight, and for the greater part of the period the ball was in midfield. The third touchdown came on an end run by Adkins, half, which ended the half. Hampden-Sydney kicked off to Elon to open the second half. Neither team was able to muster any offensive during the third period. The half resolved into a kicking duel.

The last quarter found the teams playing in a driving snow. The last two touchdowns came in the final period on long passes, thrown by Brinser to Adkins and Jones. The game was featured by the strong offensive put up by the Tigers.

The squad now has two weeks to prepare itself for Lynchburg. The reserve team will play the Oak Ridge cadets this Saturday. This game heretofore has been a walk-over for the "Ridgers," but this year the Elon "Bearcats" have put up a better showing than ever before. After the general shake-up that is in progress on Comer field this week, it is hard to say just what kind of a team will face the Cadets Saturday, but it will be a far better aggregation than the one which Oak Ridge overwhelmed last year.

**FRESHMAN CLASS ORGANIZES ELECTING RALPH COGGINS AS PRES. AT A SPIRITED MEETING**  
(Continued from Page 1)

ballots were necessary before any candidate was successful.

Six men received votes for President—Ralph Coggins, Dace W. Jones, H. B. Rountree, A. W. Wilson, and H. T. Effird. Mr. Ralph Coggins, of Sanford, N. C., won the election by a landslide, receiving 152 votes to a combined vote of 21 for his five opponents. As an athlete, as a student and as a gentleman, Mr. Coggins has won a place in the student life at Elon. He made a short talk, thanking his class and expressing his willingness to serve.

Nominations for Vice-President were made by ballot—only 17 being nominated. D. W. Jones, C. W. Kipka, A. W. Wilson, and Garnett Bok survived the first ballot. After the second ballot Dean Hook called for speeches in favor of the two leading candidates—Mr. D. W. Jones, of Burlington, N. C., and Mr. C. W. Kipka, of Mooresville, N. C. Speeches in the neighborhood of a dozen were made. They were full of pep—the kind that makes a class. The meeting here rivalled the National Democratic Convention in New York city last summer when the protagonists of Governor Al Smith and W. G. McAdoo vied with each other in parading Madison Square Garden, blowing sirens and in general whooping it up for their favorite candidate. On the third ballot Mr. Kipka was elected over Mr. Jones by a vote of 90 to 86.

Only 21 received nominations for secretary. Speeches were called for in favor of the three leading candidates, the only limitation being that they must not exceed ten minutes. They described the eminent fitness of each of the nominees for the secretaryship. We are sure that if the Freshmen chosen to represent their class in the annual Freshman-Sophomore forensic encounter show as great versatility, earnestness and ability in debate as some of their classmates evidenced in their nominating and seconding speeches the Sophs will have an A-1 battle on their hands next April. On the second ballot Miss Beulah Johnson, of Saxapahaw, N. C., was elected, receiving 94 votes to 64 for Miss Birdie Rowland, to 17 for Miss Lucille Mulholland.

From a myriad of nominations for Treasurer, Miss Gladys Simpson and Miss Ruth Lee Bowland stood out as the two highest. Speeches were made telling of the undisputed qualifications of these two young ladies to handle money. But the class had been in session for over two hours, and the lunch whistle had blown some time before. The meeting was adjourned until Thursday morning, when the Treasurer and several other officers will be elected and class administrative work begun.

The class, in launching out upon its college career, evidenced a great amount of spirit. It has before it possibilities which no other class has had. We have every reason to believe that it will live up to expectations and make a record at Elon.

for them and how to best fit themselves to fulfill His will. They hope to make their organization mean much to Elon.

The following officers were elected: President—Julia Woodson. Vice-President—Susie Elder. Secretary-Treasurer—Hazel Knott. Press Reporter—Lucille Mulholland. The members are: Lucy Askew, Judith Black, Ruth Lee Boland, Lois Calhoun, Susie Elder, Lillie Horne, Hazel Knott, Lucille Mulholland, Kathleen Paschall, Alma Rountree, Graham Rowland, Tora Rudd, Fleda Summers, Jewel Truitt, Julia Woodson, and Gladys Yates.

**HALLOWE'EN PARTY IN BOYS' GYMNASIUM WAS SCENE OF WEIRD DOINGS**

Class of '29, was awarded the prize for the prettiest costume. It was an impersonation of Hallowe'en. Mr. Sawyer, also of the Class of '29, received the prize for the most original costume.

Much of the remaining time was spent in a trip through the "Room of Horrors" and a visit to the "Fortune Teller's Tent." Refreshments were then served, after which came time to leave the enchanted spot where these dream-like spirits had gathered to celebrate. So off into the silver moonlight the Fairies, the Elves and Hallowe'en spirits danced and scampered into nothingness, for Hallowe'en had come to Elon, only to stay a little while, and like a dream fade away again. But Hallowe'en will come again next year.

kinds of sandwiches, punch, and fruits. Those giving the party were: Grace Burrows, Lillian Walker, Lois Calhoun, Patty Hurley, Della Maness, Emma Cline, Lucille Cecil, and Lelia Peed.

The guests were: Ruth Lee Boland, Bess Tarpley, Emma Wrenn, Beulah Hodges, Marceil White, Lucille Mulholland, Dorothy Johnson, Luey McCargo, Eva Sykes, Bonnie Holt, Edna Mae Cox, Mildred Dozier, Lizzie Lawrence, Myrtle Smith, Annie Troxley, Annie Carter, Irene DeLansey, Margaret Thomas, Susie Elder, Mary Price, and Lyde Bingham.
