Elon Basket Ball Quint Is Defeated On Home Floor In Two Last Games Of Season

PLAYED HARD

Games Are Hard Fought, But The Christians Are Unable to Withstand the Visitors' Attack.

DICKENS AND BYRD STAR

Games Played February 23rd and 24th, Which End The Season For Elon.

N. C. STATE GAME

Christians put up good fight here February 3rd against N. C. State, but were conquered 27 to 18, in one of the best games seen on the home court this season.

The game opened fast from the start and at no time did it lag, Elon taking the first scoring on Dickens' foul which Newman tossed in. Then State took a spurt, which lead Elon was never able to overcome, though at times they were tagging close onto the Wolfpack score. The home team was forced to long shots when they could not pierce the State defense, but the Christians fought hard.

The first half closed 16 to 11 in favor of State but the Elon supporters came back strong in the second period and for the first eight minutes did not allow a tally against them, and with about six minutes to play the score stood 18 to 20 in favor of State. Dickens and Watkins, however, came in with two more field goals and Brown added a foul for the final point.

Dickens was the outstanding player for State and the high scorer, with Byrd doing the best work for Elon.

A secret love for another woman was destroying the millions which James Van Clinton had accumulated through his invention, the televisionphone.

Van's wife, a lovely, self-sacrificing young woman, often waited at home while he was out on "special business" at nights. She suspected nothing. She wanted him to be happy. Had she not sacrificed her great home—and pitted her entire future to aid the penniless inventor?

At their fifth wedding anniversary Van came home late. In his pocket his little daughter discovered a parcel. A gift, the wife thought. Mrs. Van Clinton insisted that the child place it back. But Van left the parcel secure in his pocket, unknowing that his family knew about it.

Mrs. Van Clinton phoned a charming

The tables were beautifully decorated with the fraternity colors and large bunches of red roses, the fraternity flower, adorned the tables.

The feast was enjoyed by every one present. Merriment and enjoyment was furnished for the evening by a selected program, in co-ordination with the Elon Boosters' orchestra. Mr. E. P. IS BIG SUCCESS

Celebrating Washington's Birthday, Better Known to Elonites and Friends as Clio Day.

AUDITORIUM IS PACKED

Wesley Williams, O. W. Jones, and W. C. Griffin Play Especially Well.

Clio Day, as the date of February 22nd is known on the Elon College campus, came to a fitting close Monday evening with the presentation by the members of the Clio Literary Society the play entitled "The Dust of the Earth."

February 22nd is a holiday in the college calendar and besides being the anniversary of George Washington is set aside as the date of the annual celebration of the above society. Social rules were suspended during the day, and a special dinner was enjoyed at 5:00 o'clock in the afternoon by the students and the many visiting alumni and friends.

More than 1,000 people crowded the Whitley Memorial Auditorium at 8:00 o'clock for the entertainment of the society. This is one of the largest audiences that has attended the celebration on this date for several years.

The entertainment this year consisted of a four act drama by Katherine Kavanaugh, "The Dust of the Earth," and was well acted by the young men of the society. Though amateur productions entirely the society plays here have approached very nearly the style and finish of professional productions, and this play was no exception. Wesley Williams, D. W. Jones, and W. C. Griffin played their parts especially well. All the characters were represented by men, four taking the part of women and girls. Mrs. L. M. Cannon coached the play, assisted by Miss Ruth Klapp, and F. D. Ballard acted as stage manager, and D. L. Harrell, Jr., as property manager, and C. L. Holland, L. T. McCloud, Dr. E. Turner, Jr., C. L. Kimball, and G. E. Ring, as marshals for the occasion, the welcome being given by George D. Colelough.

The Burlington high school orchestra furnished music for the entertainment preceding and between the acts under the direction of Prof. M. Z. Rhodes, an alumnus of the society. The music was especially well received by the large audience, and the whole program was
