

A-L-U-M-N-I N-O-T-E-S

POPULAR ALUMNUS AND FORMER STUDENT WED

We quote the following from the Burlington News of September 16: "The following announcements were received today:

'Mr. and Mrs. Charles W. Johnson announce the marriage of their daughter, Beulah Belle, to Mr. Paul Braxton, on Monday, August 8, 1927, Danbury, N. C. At home, after September 12, Mt. Olive, N. C.'

'The marriage is of much interest to the many friends of both of these young people in the Snow Camp section and throughout the county.

'Mr. Braxton, the son of Mr. and Mrs. E. J. Braxton, was graduated from Elon College this year, and will teach in Mt. Olive this winter. He is a most excellent young man. His bride is also from the Snow Camp section, and has taught the past three years. She is very popular with a large circle of young friends, and is a talented and attractive young woman.'"

These young people are most pleasantly remembered indeed on the Elon campus. Members of the Class of '29 will recall Mrs. Braxton as their efficient secretary in their Freshman year. Mr. Braxton is well known to those familiar with North Carolina college baseball history. As captain of Elon's 1927 baseball team, he led the Maroon and Gold squad almost to the state championship honors, while this summer he helped Siler City win the amateur championship of eastern North Carolina. The Maroon and Gold extends to them its heartiest congratulations.

ALUMNI NOTES

Professor W. J. Cotten attended the University of Chicago during the summer for twelve weeks. Professor Cotten is working toward a higher degree.

William L. Kinney is connected with the Pilot Life Insurance Company, of Winston-Salem, N. C. Mr. Kinney is getting along fine and has written in several times concerning the present movement for the equipment of the Society Hall.

Mr. F. F. Myrick, who was once an instructor in this institution, is at the present time practicing law in Greensboro. Mr. Myrick has built up a large practice, and I am sure that all the Alumni will be glad to know that he is making good.

Professor H. E. White, '22, is Principal of the Midway High School near Thomasville, N. C. Prof. White is making good in the teaching profession.

However, that is no more than is expected of a man of his calibre.

Mr. D. L. Bougher, '27, is connected with the garage and filling station near Greensboro.

Professor W. F. Warren, '10, is Principal of Durham High School. Professor Warren was in South Carolina for several years connected with the Charleston High School but came to Durham last year to take over his present position. He is very popular in the school work.

Professor W. E. Loy, '15, is Principal of Consolidated High School, Charlotte, R. F. D. Mr. Loy is making a great success this year. He sent seven students to Elon this fall. That is something worthy of the attention of the Alumni.

Mr. Thomas Andrew, '23, was married during the summer.

L. H. Fogleman, '20, is coach in the Wadesboro High School. This is Mr. Fogleman's second year in this position and from all indications he is making a great success.

Mr. F. C. Rainey, '27, Littleton, N. C., spent a few days on the Hill last week.

Prof. L. R. Sides, '20, former Principal of the Chapel Hill High School, has been granted a leave of absence to do graduate work at Columbia. Prof. Sides plans to take his Ph. D. within the next two years.

Rev. F. D. Ballard, '26, is going to study in Vanderbilt University during the scholastic year of 1927-28.

SPIRIT OF THE STUDENTS

(Contributed)

Elon College students, now is the time to show the spirit that is going to help carry old Elon on to victories in football this fall. As students of this institution, let's get behind our college and our teams and show a spirit equal to that found anywhere. We can instill such a spirit several ways. Come out to the pep meetings; help the cheer leaders teach the new students the yells; contribute any new yell you have; talk things up; be enthusiastic over our prospects. Make yourself one of the many that will be behind Elon's teams this year. Be a sport; go out to the games; be there to cheer the team. Show such a spirit on the campus and in the class room as well. Prove to your fellow-students that you have the right attitude toward everything. Come on, let's show the world we have that true college spirit. What say?

All The Very Latest Styles

COACH WALKER HARD AT  
WORK ON COMER FIELD

Heat and Rain Slow Up Practice.

Coach Walker is hard at work trying to get his team in shape for the opening tilt with the N. C. State Wolfpack at Riddick field September 23. The team as a whole is far from the condition that they should be for the first game. Many of the men are lacking in experience, also practice has been slowed up considerably on account of the excessive heat and rain. It seems that an unusual number of the squad are suffering from "charley-horses," and other injuries. But it is believed that if we can get a little football weather for the remaining practices, a formidable team will be placed on the field against State.

Cook, Yorkievti, and Loessi are among the late arrivals that are looking like players with plenty of ability. It would be impossible to indicate the first team at this time. The men that are showing up fairly well at the different positions at present are: Ends, Zigler, Branner, Waggoner, Whitley, and Harrington; tackles, Capt. Jones, Smith, Efird, and Wilson; guards, Foster, Yorkievtz, Johnson, and Cox; and centers, Hardy, and McCauley; halfbacks, Jones, Coggins, Loessi, F. Alexander, and H. Alexander; fullbacks, Daniels, Harmon, and Cook; quarters, Bock and Walker.

We are glad to see that Miss Frances Sterrett, of Niagara Falls, N. Y., a member of the Senior Class, has returned to school. She will be quite an asset to our Expression department this year.

A recent Sunday survey of forty churches in Washington, D. C., showed 7,000 persons present. In forty theaters on the same day 50,000 persons were found.—Selected.

For Young Men To  
Whom Life Is An  
Adventure

College men have their own ideas about clothes. We don't try to improve on these ideas. "Modify" them or "modernize" them. We give them exactly what they want in their apparel wants.

Therefore, for this Fall season, we are showing a collection of Young Men's Suits, Over-Coats, Hats, and Men's Furnishings, that for size and quality is unsurpassed in this section.

Even in the bigger towns of the state few clothing stores show a wider or more stylish selection than ours.

The prices, too, owing to our less expenses, are most reasonable.

So much so that we are enabled to offer you handsome New Fall Suits, splendidly tailored,

With one pant as low as \$22.50  
With two pants as low as \$27.50
