#### "THE SCARLET LETTER" HERE SATURDAY NIGHT

Metro-Goldwyn-Mayer's screen classic, based on the famous novel by Nathaniel Hawthorne, will be shown here on Saturday, September 24, at 8:00 o'clock P. M.

Practically every student should be familiar with Hawthorne's great novel, and many will like to see this splendid screen version that took Broadway by storm at "two dollars per."

Lillian Gish, the favorite heroine of many, has proved doubly popular in this new role.

Lars Hanson, the great Swedish actor who was recently killed in an automobile accident, heads the supporting cast. This may be our last opportunity to see him perform. So come along and enjoy the evening.

#### PRES. FRANK ALEXANDER SPONSERS "Y" OUTING

(Continued from Page 1)

White and Velie, and Coach Walker were present and added much in merriment and laughter to the care-free student throng. Jokes and informal talks were in abundance. There were strings and strings of weenies, piles of buns, and tubs of lemonade. Every student must have had plenty, for there were several groans heard on their tramp back to school. Even Dr. Harper complained, "Isn't it hot? I'll declare, I believe I ate too many of those hot dogs."

Frank Alexander, president of the student Y. M. C. A., took a special course in Y. M. C. A. work at Blue Ridge this past summer, and the Y. M. C. A., is expected to play a very great part in the religious and social life of the students this year, under his capable leadership.

#### MANY ATTEND THE INITIAL SERVICES OF CHRISTIAN ENDEAVOR

Open Forum Very Interesting.

A great deal of interest was manifested in the first Christian Endeavor program of the year which was held in the Whitley Auditorium Sunday night. Miss Nannie Graham, president of the society, was in charge of the service. The program was in the form of an open forum. The subject of Dr. Harper's opening address, "Of What Does Life Consist," was used as a basis for questions. Several questions were asked and discussed. The questions asked revealed the fact that students are interested in the question. And if they are interested, they will seek until they find an answer. It would not be surprising if this question should come up often during the year.

On next Sunday evening a pageant will be presented by members of the Senior Sunday school class.

## LITERARY

PHILOLOGIAN LITERARY  
SOCIETY HOLDS SPIRIT-  
ED MEETING

Every Old Member Present.

One of the best years in the history of the oldest society at Elon is just ahead is the firm conviction of many Philologists. Holding their first regular session of the year last Friday evening, the "Phis," both as a group and as individuals, revealed a society spirit that has probably not been rivaled in recent years.

No formal program was rendered, but following the business session several members gave, extemporaneously, discussions and suggestions bearing on phases of society work. Many practical features relative to the betterment of society work as a whole were considered, and it is believed that with all the enthusiasm and "spizzerintum" plainly evident this should certainly be a banner year.

Some members have returned after being absent for a year or so, and will fit in nicely with the program of real society work.

With Thanksgiving day, the Philologist festival, just ahead, the society is starting to train by introducing dates and items of similar significance in preparation for more extensive and strenuous thought. Practically all of the members seem very much in earnest about getting the most out of work of this nature, and, above all the spirit of mutual helpfulness and co-operations visibly present gives use to optimism and to the confident expectation of a great year in Literary Society work.

Philologist Reporter, H. E. S.

#### FACULTY NEVELE CLUB HELD INITIAL MEETING

(Continued from Page 1)

with cut flowers, palms and ferns. Subdued lights added their winsome charm.

Miss Louise Savage was re-elected president of the club and Miss Helen Stearns, secretary.

Two members of the club, Miss Nellie Smiley and Mrs. O. W. Johnson, who were initiated as first year candidates last year, were promoted to the full degree of membership in the regular ceremony of initiation for the third degree.

Three new members were impressively initiated as first degree members. They were Miss Sue Raine of the Household Arts Department, Miss Emily Johnston of the Expression Department and Mrs. D. C. Walker, wife of the college coach.

A special committee was appointed to prepare the Nevele Club Booklet and program for the year 1927-28. The committee consists of Miss Hattie E. Brown, Mrs. W. A. Harper, Mrs. C. M. Cannon, Miss Emily Johnston and Mrs. L. D. Martin.

Following the regular business session and the initiatory exercises, the hostess, Mrs. Harper, assisted by her house guest, Mrs. C. C. Johnson of Raleigh, served a deliciously tempting luncheon of cakes, ice cream, punch, and Pacific Coast fruits.

#### JUNIOR CLASS HOLDS ITS INITIAL SESSION

(Continued from Page 1)

Mr. C. "Grandpa" Thompson was elected circulation manager of Maroon and Gold. Miss Mary Brannock was appointed as typist.

The Junior class of this year is striving to show the student body what a class should be. Watch out for the Juniors. They claim to have the leading class of Elon College. This is a great statement to make, but the Juniors think that they are men and women enough to carry out this statement. So watch the Juniors, WORK!
