Fighting Christians Battle Demon Deacons To 0-0 Score

ALL HAIL COACH WALKER

The Proverbial Dope Bucket Was
Upset, Mashed and Squashed.

Every Man Rallied to Zack Walker's
Leadership.

Elon College.—All hail to Coach Walker, and his fighting Christians. This is one time that the Demon Deacons had more than a "limbering up exercise," as their college paper put it. It was a gruelling battle from start to finish, with Elon on its opponent's four yard line and first down when the final whistle blew.

"Zack" Walker, through his able leadership, forced the Deacons to play defensive ball throughout the greater part of the game. "Doodle" Daniels with his driving and tackling was one of the stellar performers of the game. Every man played the game, each coming into his share of glory; for glory it is, because it is the first time in many moons that Elon has held Wake Forest to a tie score.

The Elon team was given a hearty welcome on their return to the college after the game, with speech making and bonfire by the students, and that game has been the main topic of conversation on the campus since. Not since football games began to be played between the Baptists and Christians has Elon accomplished the feat of holding this strong opponent scoreless.

The Elon students appreciate the fine tribute Coach Baldwin paid their team following the game when he stated: "The teams which play the fighting Christians this season may expect to find a different team from that which has represented Elon in the past," and also the compliment paid their Coach Walker by the Deacon mentor when he praised him for building up a team with the fighting spirit that was displayed on Gore field against the Baptists.

Every man on the Elon team looked good in that game, and played consistently fine football. However, the

DR. J. B. NEWMAN RESUMES PRACTICE AFTER ACCIDENT

Graduated In Class of '21.

One of Leading Dentists in State.

Dr. J. B. Newman, Class of '21, has resumed the practice of his profession again. Dr. Newman was hurt in an automobile accident sometime ago and has been kept from his office for about six weeks, two weeks of this time was spent in the Rainey hospital of Burlington.

Dr. Newman was hurt when his car turned completely over while traveling over the Greensboro-Liberty road. The road had just been covered with tar which caused the car to slip suddenly and throw from the car Dr. Newman, who was driving, and his sister, Miss Lila Newman, Art teacher at Elon, and also Mr. and Mrs. J. O. Atkinson, Jr. Dr. Newman's right hand was almost ruined and for a long time it was feared that several of the fingers would have to be taken off. However, all indications are that the fingers will be almost normal after a few more weeks.

Dr. Newman is one of the most popular dentists of Burlington. He graduated from the Atlanta Dental College in 1925. Since that time he has been practicing his profession in Burlington.

WHO WON THE PRIZE IN THE LAST ISSUE?

The prize offered for the best contribution in last week's issue of Maroon and Gold has been awarded to the writer of the first section of the Campus Cat.

ALAMANCE COUNTY ARTIST COURSE PROMISES TO BE BEST IN HISTORY OF SCHOOL

Five Concerts This Year.

The Schubert Male Quartet is the First
of Series of Concerts.

The Alamance County Artist Course for this year, which will be given in the Whitley Auditorium and under the auspices of the Music Lovers' Clubs of Elon, Burlington and Graham, is going to be the most exceptional ever. Artists of notable talent have been employed and the valuation of this course is too high to be missed.

The first concert will be given by the Schubert Male Quartet on October 31, 1927. Four excellent vocalists with unusually fine voices make up the personnel of this noted organization, assisted by Miss Florence Reed, pianist and violinist. The programme is high-class in every particular and will feature some of the numbers of the noted composer, Franz Schubert. Miss Reed, the charming and talented violinist, will be heard to advantage in solo and obligato numbers. She is a brilliant artist of wide experience.

Rudolph Reuter, pianist, will appear on November 14, 1927. This concert may be reckoned as one of the finest evenings of music during the course. Mr. Reuter plays superbly, producing real music and doing justice to true poetry. There is intellectual distinction and his imagination is delicate and rich.

Those concerts following this will be given by Max Rosen, Marjorie Maxwell and Arthur Kraft.

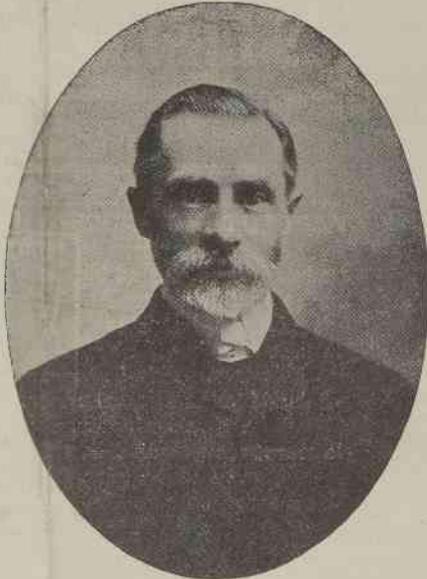

Among the recognized great artists of the world, Max Rosen is distinguished among the violinists by his possession, to an unusual degree, of the power to convey the emotional content of a great composition. From a background of sincere and convincing musicianship, reinforced by a brilliant and secure technique, Max Rosen projects and individual emotional appeal which renders his art as convincing and enjoyable to the laymen as to the most accomplished musician.

Marjorie Maxwell, an American Prima Donna, has natural gifts and musical ability that have given her the

PHI PSI CLI SHAPING INTO BEST ANNUAL IN YEARS

Elon College.—The Phipps, Elon's college annual, is shaping into what is believed to be one of the best annuals ever turned out by this school. Every student in school had their beauty struck this week, and the new arrivals to the faculty were also added.

The editor, Mr. C. H. Slaughter, promises the student body that he will use every available artifice in making the '28 annual the greatest success ever attained at Elon College. He is going to use one theme throughout the whole book, choosing as his topic, the motto of his class.

DR. MARTIN SUMMERBELL

President of Starkey Seminary, Lakemont, N. Y., and one of our most eminent non-resident lecturers, who has just finished delivering his series of lectures on Church History and Biblical Literature for 1927.

BURLINGTON ROTARIANS ENTERTAIN ELON ROTARY ANNS AT ALAMANCE HOTEL

Misses Moffitt, Rawls, Williams,
Stout and Johnson Enjoy
Delightful Banquet.

Toasts Speeches and Songs.

The banquet hall in Alamance hotel, Burlington, was the scene of a festive event Monday night, October the third. The fellow Rotarians of Burlington gave a banquet and invited as their guests the following Rotary Anns from Elon College: Ann Rawls, Dolly Williams, Grace Stout, Kitty Johnson, and Margaret Moffitt.

The guests were welcomed by the president of the club. Following this were several delightful toasts, songs, and speeches were interspersed during the course of the banquet. Rotarian Sharpe made an inspiring talk on Elon, taking as his subject, "What Elon Means to Alamance." He traced the growth of Elon, and paid a beautiful tribute to both the college and our president. Our hearts were stirred to the depths when the last words of his speech marked the close of the evening's entertainment. It was indeed a rare privilege to attend this banquet, for which we who were present feel grateful to our Burlington friends.

CHORAL SOCIETY BEGINS PRACTICE ON MESSIAH

Elon's Annual Christmas Event.

Prof. Velie Has Wealth of Talent to
Make This an Interesting Program.

Elon College.—The Elon Choral Society has started practice on the "Messiah," an annual Christmas event at the college. Prof. Velie, head of the Department of Music, has had the nucleus of this group of singers under his direction for three years. The Choral Club program this year promises to eclipse any previous offering that has ever been given at Elon.

The Club has had some new talent join its ranks this year, and is expecting to do some of the best work in its history. The various concerts given during the college year are looked for

DR. ATKINSON DELIVERS THE LECTURES ON MISSIONS

Is a Forceful and Inspiring
Speaker.

Methods and Results of Christian Work
Was Embodied in His Texts.

"Missions," the general subject of a series of three lectures given by Dr. J. O. Atkinson, General Mission Secretary of the Southern Christian Convention, has been the message to the Elon College students at their church and chapel services this week. Dr. Atkinson began his lectures on this subject Sunday morning, choosing as his text for that message, "The Word Made Flesh," and continued with a lecture at the chapel service Monday and Tuesday.

On Monday Dr. Atkinson spoke of

SOCIETY HALL OF ELON HAS MOST BEAUTIFUL EQUIPMENT IN SCHOOL

The Spirit and Enthusiasm of
Each Meeting Is Noticeable.

Alumni Are Loyal Supporters of Their
Alma Mater.

Elon College.—The Society Hall of Elon College has been wonderfully improved through donation of a hundred beautifully upholstered chairs. The Alumni of this institution, through the efforts of our field secretary, Mr. George D. Colclough, are greatly responsible for this most needed and benevolent gift.

Furniture for the Society Hall has been needed badly since the fire and the gift is most timely. These chairs are most comfortable and luxurious, making it a pleasure to go to society, in order to get to sit and rest in them. Each chair will have a name plate placed upon it, to signify its donor, whether it be an individual or some organization on the hill.

The atmosphere and spirit of each society has greatly changed since this wonderful donation has been received. It has added impressiveness and dignity to the hall, and has already been the cause of better work among the different societies.

PRESIDENT SUSIE ELDER SPONSORS Y. W. C. A. PICNIC

Girls Enjoy First "Y" Outing. Swim-
ming and Eating "Hot Dogs" Are
Principal Features.

A bunch of happy girls met in front of West Dormitory Tuesday afternoon, September twentieth, at four o'clock. Several yells were given and then the crowd moved off in a long line. The girls were leaving for the first Y. W. C. A. picnic of the year.

The line moved up the highway and over a fine country road to a splendid picnicing ground, Moonelon. It is not often that the girls get to go to Moonelon, so they made the best use of their opportunities. Dean Savage plunged into the pool and yelled, "Come on in; the water's fine!" Soon the pool was filled with laughing, bobbing, heads. Races across the pool and games in the water furnished lots of fun to those engaging in them and to the spectators.

After a time the water lost some of its appeal, for up on the hill girls had been having fun gathering wood for a bon-fire. Already the coffee was on, and soon "eats" would be ready.

After a few minutes the scene shifted, and again the girls lined up. Miss Savage led the line this time by a table where both hands, and sometimes a pocket or two were filled. Races in the pool gave way to seeing who could eat the most "hot dogs." No one knows who won, but every one was ready to come home in time for the pep meeting.

This is the first of a number of "good times" that the Y. W. C. A. plans to sponsor this year.

Reverend J. F. Apple, '17, is preaching and teaching in this community.

Miss Mary D. Atkinson, '20, is at Orlando, Florida. Miss Atkinson is connected with the Music Department of the high school in that city.

Prof. E. W. Auman, '27, is principal of a Junior high school near Dunn, N. C.
