DOMESTIC SCIENCE DEPT. WAS HOSTESS TO BOARD OF TRUSTEES AT BANQUET

(Continued from Page 1)

representatives of student organizations, and trustees together in a good fellowship banquet.

After Dr. Fleming returned thanks, Miss Caroline Powell gave a toast to the Faculty, to which Prof. Barney made a very appropriate response. Miss Rosebud Kimball gave the toast to the Board of Trustees, and Dr. E. L. Moffitt responded in a most fitting manner.

Prof. Velie's college quartette, composed of E. F. Rhodes, H. L. Barney, C. J. Velie and J. P. McNeil, entertained the banqueters by two choice selections. Then the entire assembly was led in another college song, "Praises Elon Unto Thee."

After the remarks, the Domestic Science Department appeared en masse, and Dr. Harper introduced them as such, praising them very highly for their fine work in preparing an excellent repast. The instructor of this department, Miss Sue Raine, responded, expressing her appreciation for being permitted to serve the Board of Trustees, Faculty, and students at the banquet.

In conclusion, every one joined in singing the college song, "Here's to Dear Old Elon."

The student body was very happy to see among those present Mr. P. J. Carlton and his brother, Luther, two men who have meant much to Elon. Two former Presidents of the College were also present: Dr. W. W. Staley and Dr. E. L. Moffitt.

ELON BATTLED WILLIAM AND MARY TO CLOSE SCORE

(Continued from Page 1)

first half. This considerably weakened the Christian team. At the end of the first half, the score stood 21 to 15 in favor of Elon.

As the Virginians began to forge ahead in the second half, the play became rather rough and the accurate foul shooting of the visitors gave them the winning percentage. Of their total score of 35 points, 15 points were scored on foul shots.

Hamrick, lightning guard for Elon, was the shining light and played one of the best games of his career. He was a high scorer, ringing up 14 of Elon's 28 points.

Miss Savage (in a crowded street car, to Miss Fisher): "I wish that good looking gentleman would give me his seat."

Five men got up.

"Because she believes all she is told does not make a girl a Belle."

HISTORY OF THE CLASS OF '30

(Continued from Page 1)

and Faculty members. This gave every one a chance to become acquainted.

When the 'Sophs' arrived our superiority dropped to the lowest ebb, when they soon proved to us that the "'29" paddle and the Buck '3' Club were prominent factors in Elon.

November 2 was a national election day, and with it came the organization of the high-spirited class of '30—'Jake' Messersmith was elected president; Alma Kimball, vic-pres.; Nancy Lincoln, secretary, and D. P. Barrett, Jr., treasurer.

The Numeral, '30 was placed on the college tank to shine for the glory of the class; but it was soon swept away, and with it went a noble head of hair.

Two of the most significant boys' clubs are: 'The Stuck Up', and 'The Water Throwing Association';—These clubs keep the boys well refreshed and alert.

In athletics we play a great part. We have two football, two basketball, and three baseball men, to represent the varsity team—our year being very successful; and with great hopes for the coming year, we elected 'Lefty' Briggs to guide our class through the coming year.

The new college year opened with several of our class missing, but others came in to take their place, and our 'Purple and Gold' is flying high with its followers striving hard to attain the highest ideals of life.

September 25 we gave the 'Freshies' a warm and hearty welcome to our kingdom, but on account of restrictions the Buck '3' Club, and the '30 paddle were silent.

Some of the Freshmen placed their '31 on the college tank, but it was soon replaced by '30. The '31 supporters were so grieved that they lost their hair.

The class is still representing the college well in athletics and other activities. Ray Moses and Clyde Foushee are on the Maroon and Gold staff. They are also representatives on the Inter-collegiate debating club.

The class of '30 is pressing forward, under the 'Purple and Gold' to attain the highest achievement. Our greatest desire is to blaze forth a trail that other students may safely follow.

BUSINESS CLUB HELD ITS SECOND MEETING

(Continued from Page 1)

Skinner, Secretary of the Chamber of Commerce of Burlington, who spoke on "Credit and What it Signifies."

The students of Business Administration are becoming more enthusiastic and are looking forward with keen anticipation to the next lecture. These lectures are showing to the students that a great deal of practical knowledge is necessary before going out into the business world to make a success, and are contributing much to the value of the course.
