

Alumni Notes

Mr. C. W. Gordon, '26, who has been ill with rheumatism for some time, is much improved. He is now able to be out.

Mr. Carl Brady, '26, is studying at Duke University this year. Mr. Brady is working toward his M. Ed. degree.

Miss Frances Turner, '28, is serving as assistant to the principal of the Winston-Salem High School.

Mr. C. J. Crutchfield, '28, was visiting here during the week-end. Mr. Crutchfield is coach at the Biscoe High School this year.

Miss Gladys Yates, '27, is teaching in the Graham, (N. C.), High School.

Miss Alma Rountree, a student here during the years '25-'28, is teaching in the Franklin High School. Mr. E. P. McLeod, '27, is principal of this school.

Prof. T. E. Powell, Jr., Head of the Department of Biology and Geology, is doing graduate work at Duke University.

Mr. Paul Braxton, '27, who taught at Mt. Olive last year, is now coach at Siler City. Mr. Braxton played with the Greensboro baseball team a great portion of the summer.

All of our alumni will be pleased to learn that Winston-Salem won the Piedmont Championship this season. Mr. Bunn Hearn, a former Elon pitcher and student, is manager of the team. Also Elon was represented by Rev. J. U. ("Lefty") Fogleman, '26. Fogleman was one of Elon's outstanding pitchers during his four years here. We wish to congratulate these former Elonites on their success. It does us good to see them win.

Mrs. G. W. Kernodle, a former student at Elon, was buried at Shallow Ford Christian Church, last Wednesday, September 26. Mrs. Kernodle gave the chairs to furnish the President's Office. Dr. Kernodle, her husband, used to be the doctor of Elon College.

Prof. W. J. B. Truitt and Miss Banks were married in June, in Norfolk, Va. They are now living at 13 East Manor Apt., Brandon Ave. Prof. Truitt is Principal of one of the Norfolk, Va. High Schools.

Rev. John B. Truitt, and Miss Adelia Jones, '26, were married on August 21st. They are living at 2301 Salem Ave., Dayton, Ohio. Mr. Truitt has begun his work as pastor of the First Christian Church of that city.

Prof. E. M. Betts and Miss Mary Hall Stryker were married on September 5th. They are making their home at Charlottesville, Va. Prof. Betts is assistant professor of Biology in the University of Virginia. For several years he was a teacher in the Elon College music department.

college to discover ourselves," said Professor White. "We must discover ourselves before we can determine what we are fitted to do in life." Professor White declared that each person receives three calls: (1) A call to become a citizen of God's kingdom; (2) A call to work in His kingdom; and (3) A call to use every talent we have in the field in which we can best serve.

Dr. Jay would have the student body believe that they are all stars! Every one stars! But what kind of stars? "Some are shooting stars—brilliant, but of short duration. Some are planets—they move with a restricted motion and against opposition. And some are fixed stars—brilliant, with a good supply of reserve light back of them to keep them shining." What kind of a star are you?

SPORTS

The Elon eleven lost their first game of the season last Friday with State College. The Christians fought a hard game, but could not compete with the more experienced and heavier line of the Wolfpack. The first quarter of the game was the most interesting. The first period ended with State leading 7-0. The Christians showed the Techs more action in the second quarter than in the first, but even then the Wolfpack piled up a score of 33-0. Many long runs were made by State. Melton showed the way in this respect with a 46-yard sprint to a touchdown in the closing minutes of the first half. But there were numerous other long runs—Crum, Warren, and Adams also joined in this phase. Melton had the largest number of long runs to his credit.

Captain Hardy proved to be the best defensive player for the Elon team. He made the greater part of the tackles, while "Speck" Stevenson also did some excellent work. The best on Elon's offense was "Pete" Williams. "Pete" was our only consistent ground-gainer. "Zac" Walker showed up well in pass work. He was successful in making several complete passes to Ziegler.

The Elon team showed their best offense in the third quarter in which they reeled off three consecutive first downs. As a whole the Elon team gave the Techs a pretty hard fight. Smith, Elon, had a good edge over Warren in the punting. The game ended with the score of 57-0 in favor of State.
