FOOTBALL

The Fighting Christians ended their football season on Thanksgiving day by a 26 to 6 win over the Lenoir-Rhyne Bears. This game was one of the most thrilling of the season for the Christians. The Bears won the toss and chose to receive. Captain Hardy kicked to DeHines. DeHines returned the ball and was downed on the 30 yard line. A few minutes later saw Elon with the ball. Four minutes later Elon had scored a touchdown. The first touchdown was a result of Williams passing to Ziegler who carried the ball to the 3 yard line, from which point Williams went through the line for the score.

Lenoir-Rhyne chose to receive and were forced to punt. Walker received the punt and returned it to the 40 yard line. From this point only five plays were needed to put the ball over. A pass was responsible for 35 yards of this distance, Williams carrying the ball through the line for the remaining ten yards. Walker made the extra point.

The Bear's only touchdown came after they got a few breaks in their favor. A fumble gave the Bears possession of the ball on Elon's 30 yard line. They were held for downs on their attempts to advance, but were able to break through and block Smith's punt. Steelman blocked the punt and Ritchie fell upon it after it had rolled across the goal line. The Christians scored two other touchdowns in the second quarter which came from the result of long passes from Walker and Williams to Ziegler. In the second half the Elon men were able to go through the line at will. A fourth

touchdown came in the final quarter. A series of line plunges by Williams brought the ball within a short distance of the goal, and a pass from Walker to Williams put it over. Newman was robbed of a goal as a result of his team being offside.

For the Christians Williams was the star, carrying the ball for line plunges and receiving long passes. Walker not only carried the ball for good gains but showed up well in running the team. The Christians showed excellent teamwork. Latham also made some nice gains with the ball. Ziegler exhibited his uncanny ability at snatching passes from the air. In the line Efrid and Smith were outstanding with Merrit and Captain Hardy playing well. From statistics of the game we find that Elon made 18 first downs to Lenoir-Rhyne's 12. Elon completed nine out of 12 passes for a total of 161 yards, while the Bears were able to make only seven good out of 18 tries for a total of 123 yards and had three intercepted.

BASKETBALL

Elon basketball prospects seem unusually bright this year although the majority of last year's men will not be seen on the floor. The only old men to play this year are: Walker, Briggs, Caddell, and Sims. Coach Walker proved his ability in developing a good team from new material last year, and we feel sure that with a wealth of good material he should produce a team that will make a mark for itself during the coming season.

The basketball schedule is fast being completed, and with the end of the football season we may begin anticipating a winter of enjoyable sports.

The prospective candidates are Sims, Briggs, Paul Caddell, Watson, Rollins, Dick Caddell, Webster, Doster, Hinton, Lewis Walker York, Parker, Fred Caddell, and possibly Latham.

More than 700 bathers, men and women, have been arrested at various Italian beaches in the government campaign against immodest costumes.

James Clarkson, of Chicago, was struck so often by eggs thrown by Mrs. J. H. O'Brien that he had her arrested and she was fined.

Signorita Giulia Baslino, of London, had Dr. Luigi Mardin, a dentist, arrested for pulling her hair when she objected to his kissing her after he had extracted her tooth.

Three teeth of a pet dog owned by Mme. Marie Zallo of Paris have been filled with gold.

Mr. Clyde W. Gordon, '26, was on the hill Thanksgiving.

Mr. R. W. Utley, '25, was married to Miss Coble of Greensboro last week. We wish for them a happy future.

It certainly looked good to see so many of the Alumni here for the Home Coming Day (Thanksgiving). It has been a long time since so many of our former students and graduates were here together.

It seems to me that it would be a good thing to set aside some day in the year for Home Coming. This could be a SET date or could be held every year at the most convenient time. At any rate we should put forth more effort toward getting together and renewing friendships. Any suggestions you have to make will be appreciated.

It seemed that our football boys knew that some former Elon stars were on the side line. I don't think there is any doubt that our boys played their best game of the season. They should have. A crowd of interested alumni watching them; turkey dinner awaiting them; and the last game of the season. They certainly let us know that they could play football, and Coach Walker has proven that he can take a little material and make a successful team out of it. We predict a much better year in football for 1929. Why shouldn't it be? We are losing but three or four of this team.

DR. T. C. AMICK ATTENDS SOU. ASSO. OF COLLEGES

Dr. T. C. Amick, Business Manager, of Elon College, is away for one week attending the meeting of The Southern Association of Colleges at Fort Worth, Texas. Dr. Amick has represented our college for years at this meeting, and we are glad to have so able a representative for this year. This association is the leading accrediting agency

for the south. It is made up of representatives from all the accredited colleges and universities of the south. This year the association will consider the modification of entrance requirements and fundamental changes in standards for colleges. We are all interested in knowing the outcome of this meeting.
