ELON COLLEGE, N. C., THURSDAY, FEBRUARY 13, 1930.

NUMBER 15.

ELON SMOTHERS

A. C. C.—35-20

ELON CLINCHES GAME EARLY

Parker Scores 15 Points For Elon.
Uzzle is Best For A. C. C.

Elon defeated the little Christians from A. C. C. Saturday night, the final score standing 35-20.

It was a rather loosely played game. The Elon defense was not at its best, and the men from Wilson missed many shots.

The visitors jumped into a four point lead the first four minutes of play, but Parker soon found the basket and put the Christians in the lead, which they maintained throughout the game.

The half ended with the score 20 to 11, the Elon boys having the advantage.

The Christians kept Jones well guarded, but Uzzle, lanky center of the foe, gathered in a total of 10 points to take scoring honors for his team.

The line-up:

Elon	G.	FG.	TP.
Parker, f.	7	1	15
F. Caddell, f.	2	0	4
Walker, f.	0	0	0
Rollins, c.	3	1	7
Briggs, g.	0	1	1
Kelly, g.	0	2	2
D. Caddell, g.	3	0	6
Totals	15	5	35

A. C. C.

Jones, f.	1	2	4
Besselle, f.	1	0	2
Bryan, f.	1	0	2
Bailey, c.	1	0	2
Bryant, c.	0	0	0
Uzzle, g.	5	0	10
Banks, g.	0	0	0
Strickling, g.	0	0	0
Totals	9	2	20

'THE BARBER OF SEVILLE' THRILLS LARGE AUDIENCE

Rossini's Comedy Excellently Characterized by Sterling Cast.

The Festival Opera Company presented Rossini's opera, "The Barber of Seville," on Friday, January 31. The opera was sung in English, and the music and dialogue together constituted one of the most interesting productions which have been presented as a part of the Concert Course. The voices of the artists taking each role were truly great. The Festival Opera Company is composed of artists whose achievements are the talk of the musical world.

The Opera was a comedy in two acts, both of which were characterized by exceptional talent for acting the roles and superb singing. The story of the opera is concerned with a young girl, Rosina, who has as her guardian, Dr. Bartola who himself is determined to marry Rosina. This plot is overthrown by the Count Almaviva, aided by Figaro, the barber, and after some amusing episodes which cause uproarious laughter, and some dramatic moments, the action comes to a happy ending.

The production throughout was thoroughly enjoyed and the audience seemed highly appreciative of the fine acting.

ANOTHER HOLIDAY APPROACHING

The students on the campus are greatly delighted at the prospect of another holiday. Clio Day, on February 22, is one of the annual holidays which is looked forward to. The Clio Literary Society is planning an effective program to be given on the evening of February 22nd. The program will be on the usual order and will no doubt be an enjoyable one, as usual. This holiday has been set aside as belonging to the Clios, and is considered their day. We are hoping to hear a good program, as the Clios have the material with which to work, and the right kind of spirit.

MARIE MONTANA

MARIE MONTANA OUTSTANDING VOCAL ARTIST COMING

Marie Montana, an outstanding vocal artist, will appear on a program here on February 20, 1930. Miss Montana, who has been acclaimed as one of the finest artists of the day, has appeared as soloist with such important orchestras as the Chicago Symphony, Cleveland Symphony, and the American Orchestral Society of New York. In all of these performances her critics appraised her as having natural beauty of voice, charm of platform manner and merit of technical equipment. She has also appeared in festival performances such as in the Washington, D. C. National Opera Festival, singing in "Hugh the Droves," by Vaughn Williams, Ann Arbor, Michigan, singing in Pierre's "St. Francis of Assisi." After the Ann Arbor Festival the critics were highly favorable in their reports. Marie Montana has an educated voice, flexible and of charming quality. Her songs are made still more attractive by her charming personality, sweet, pure voice and effortless vocal production.

Miss Montana's opera appearances have been as Gilda in "Rigoletto," Violetta in "La Traviata," and Micaela in "Carmen." The IL Gioro, published in Naples, where she sang in Rigoletto, gave the following report:

PHILOLOGIAN LITERARY SOCIETY

On the evening of January 22, 1930, the Philologist Literary Society met and had an interesting discussion on the different topics assigned. Mr. Roy Coulter began the program by giving a very fine talk on "My Home State." Mr. Coulter mentioned many things about his native state, Georgia, which many of us did not know. He stated that Atlanta was the newspaper center for practically all of Georgia and the northeastern part of Alabama. W. G. Lewis next brought out some excellent points on the subject, "Does Christianity Pay?" G. O. Mann pointed out to us several good and several bad things regarding "Life on Elon Campus."

In the debate on the query, "Resolved, That prohibition is a better solution of our liquor problem than high license, L. W. Register and H. F. Smith appeared on the affirmative, and W. G. Smith and H. N. Truitt appeared on the negative. Each speaker gave an excellent speech. The decision committee.

Head Reporter Elizabeth Barney

RABBI WISE SPEAKS AT CHAPEL SERVICE

Eloquence of Noted Evangelist Holds Audience Spellbound.

On February 4, 1930 Rabbi Stephen S. Wise visited Elon College. A special chapel service was held in which he delivered one of the most entertaining and educational lectures of the year.

Rabbi Wise is a native of Budapest Hungary. He has received both his A. B. and Ph. D. degree from Columbia University. He is the founder of the Zionist organization of America and is a noted Jewish priest. The Rabbi is the author of several books, including "How to Face Life," and "Child Versus Parent."

A brief devotional service preceded the lecture. Prayer was offered by Rev. Stanley Harrell. The college choir sang Gounod's "Sanctus" in which Mrs. Grace Hall Riheldaffer sang the soprano solo.

Dr. Thomas F. Opie introduced the speaker. Dr. Wise, after a few humorous introductory remarks, announced as his subject, "What is Education?"

Dr. Wise declared everybody is interested in an education. Some say its purpose is to fit one for the difficulties of life. Others say it is to fit one for a fraternity or for a sorority. Education should not merely do something for a man but TO a man and THROUGH a man.

"Education should give us an open

MINISTERS HAVE SOCIAL GATHERING

Coulter Home Scene of Meeting.

Faculty Members Are Present.

On Thursday evening the Elon College Ministerial Association was entertained at the home of Mr. and Mrs. Roy D. Coulter in a social gathering.

The faculty member of the Christian Education Department were honorary guests. Reverend Mr. Frank Apple, also, was among the guests.

The speaker of the occasion was Dr. J. U. Newman, sponsor of the club. He spoke on, "Building a Temple." He likened the Luman being to an ancient synagogue, the outer court be-

PI KAPPA TAU SORORITY HOLDS BANQUET FEB. 8TH

Several Old Members Return For The Annual Banquet.

The Pi Kappa Tau Sorority brilliantly opened the banquet season at 5:30 P. M., Saturday.

The banquet hall was beautifully and artistically decorated, with the color scheme of purple and gold, the sorority colors, being successfully carried out. Purple streamers were used in the windows and doors, while gold candles were placed on each table. Ferns were cleverly arranged on the stage. An orchestra from Burlington furnished music.

Miss Alta Dick, the toastmistress, welcomed the guests and Mr. "Lefty" Briggs responded. Mrs. Ella Keyser Garrett rendered two beautiful solos. Miss Louise McPherson gave a toast to the guests, to which Mr. Banks Whitted responded. Professor C. J. Velie sang two appealing solos. Miss Mary Horne gave a toast to the former members, and Miss Lena Russell responded. Miss Pauline Brown interestingly recited the poem, "In The Usual Way." Impromptu speeches were given by several guests. Miss Madaline Cates made the farewell address. The program was concluded by the orchestra playing the college song.

The honor guests present were: Prof. and Mrs. C. J. Velie; Prof. and Mrs. T. E. Powell; Prof. A. R. VanCleave and Miss Janet Stout; Coach and Mrs. D. C. Walker; Mrs. Alice Corboy and Mrs. Frances Ring.

Pi Kappa Tau members and their guests were: Miss Alta Dick and Mr. "Lefty" Briggs; Miss Lannie McIntyre and Maston Green; Miss Mary Horne and G. B. Ephland; Miss Louise McPherson and Banks Whitted; Miss Peggy Hinshaw and E. E. Kipka; Miss Madaline Cates and Fred Caddell; Miss Margaret Brown and Thomas Bradshaw; Miss Ollie Burgess and Roy Rollins; Miss Peggy Sechrist and Aytch York; Miss Eugenia Green and Carl Dollar; Miss Edith Corbett and Corbett Holmes; Mrs. Ella Garrett and Paul Magee; Miss Doris Apple and Dewey Mast; Miss Lena Russell and D. P. Barrett; Miss Mabel Michael and C. P. Thompson; Miss Lois Adamson and J. N. Smith; Miss Tinsley Bryant and Gene Bulla; Miss Ollie Stadler and E. P. Dickson; Miss Clarice Albright and E. W. Vickers; Miss Lucy Boone and Robert Hook; Miss Pauline Brown and Garland Mann.

PROFESSOR HOOK SPEAKS IN CHAPEL

Professor M. W. Hook, at Friday's chapel service, gave to the student body a report on a lecture which he had been privileged to hear at Duke University. The lecturer, Major Bowie, had as his subject, "Mapping the Continent and Charting the Ocean." Professor Hook gave a somewhat detailed account regarding the values arising from the possession of an accurate topographical map of our country. The students were impressed with the immensity of the task of producing such a map when it was stated that if the work is hastened, it may be completed in eighteen years. They were also impressed by the statement as to the accuracy of the work when Professor Hook said that the map will show a deviation of one-third of an inch per mile, or a deviation of one-third of an inch in a distance of over 60,000 inches. It was pointed out that such a map will assist in many ways. It will assist us in determining the effects produced on the level of the land by earthquakes and volcanoes. Planning of highway will be facilitated and costs and upkeep reduced. Flood control can be wisely administered when the map has been prepared, as only two items must be considered in this problem—topography and rainfall. Hydro-electric stations can be located more intelligently through its use. Scientific agriculture will derive some benefit and aviation will be greatly benefited.

TRACK IS STILL BOOMING

(By Paul "Hardrock" Simpson.)

In the try-outs this week-end, Don Steed, an elongated freshman from Candor, ran 2 miles in 10 minutes and 50 seconds, for the second best time ever made in the Little Six, and just 53 seconds behind the State record. He was chased by Carl Key who finished this event in 11 minutes and 46 seconds which will win in the Little Six more times than it will lose. Jack Boyles also brought his time down to 12 minutes and 27 seconds. In the mile run, Jack Stokes of Denton, ran in 5 minutes and 3 seconds, also the second best time ever made in the Little Six, and 36 seconds away from the State record. Marlette of Eli Whitney High did it in 5 minutes and 8 seconds. Marshall, of Pittsboro, improved his time to 5 minutes and 32 seconds. Leach, from Star, made 5 minutes and 46 seconds, and Ray Dickens did 6 minutes and 20 seconds.

Stokes also led the one-fourth mile in 57 seconds for the second best time in this event ever made in the Little Six. McPherson, of Burlington, made 60.9 second, "Catfish" Braswell, did this distance in 69 seconds, and Corbett, in 74 seconds.

In the 220 yard dash trials, Garland Mann led the field, against a strong wind, in 256 seconds, with Stokes second in 26, Nichols of Durham was third in 26.3, Charlie Roberts fourth in 26.4, fifth, Brill, 27 (Brill also ran the 440 in 63.6); Steed 220, 27.3; Barrett, 27.4, and Gomez, Franks, and Key, 28.

On the 100 yard dash Nichols, of Durham, made it in 10.6 seconds for the best time ever made in the Little Six, and within one second of the State record; furthermore only 1.2 seconds behind the world's record. Loissia was second in 10.8, Gomez third 10.9, Roberts and Brawley next 11.5, Stokes 11.6, Mann 11.8, Franks and Barrett 12, and Marlette 12.2.

Mann improved his shot put 2 inches to make 36 feet 2 inches, while Fogleman fell back to 36 feet 7 inches, and Pete Williams came out one afternoon and hurled the lead ball 33 feet.

I want to send out an appeal to the Freshman class to send some some

PSYKALEONS HAVE VALENTINE PARTY

The Psykaleon Literary Society had a Valentine party Monday night, instead of the regular programs. This was a pleasant surprise to all the members excepting Misses Alma Kimball, Polly Walters, Ruth Doggett and Sally Elder, who played the roles of hostesses. In the society hall bridge tables were very attractively arranged; it was also decorated with potted plants. The place cards were dainty Valentine greetings, and the score pads in shapes of hearts.

Progressive bridge was played during the hour. At the "finis," Miss Ruth Alexander topped the list for high score. She was presented with a lovely bud vase, while Miss Mary Rudd received the consolation prize, also a small vase. Several selections on the piano were rendered during the evening.

Refreshments, the best part of any party, consisting of cream and cake, were served.

MINISTERIAL STUDENTS CONDUCT SERVICES

On Sunday morning Mr. S. B. Wilson preached at New Hill Christian Church, taking as his subject, "Success."

On Sunday afternoon Reverend Mr. Roy D. Coulter preached at Bethel Christian Church on the subject, "Building." Those that went with Mr. Wilson and Mr. Coulter report that they were very effective in their sermons. We hope that they will continue the good work, and we wish them much success in their labors.
