

JUNIORS ENTERTAIN SENIORS AT ANNUAL BANQUET

BETA OMICRON BETA SORORITY GIVES DELIGHTFUL BANQUET

Miss Idelle Jones is Toastmistress.

Saturday evening members of the Beta Omicron Beta sorority gave their 10th annual banquet. The members, with their guests, the honorary, and the honored guests assembled in the parlors of West dormitory at 6:30 p. m. Led by the toastmistress they marched to the banquet hall. There they entered to the strains of "Sweethearts on Parade," played by Miller's Southern Troubadours.

Miss Idell Jones, toastmistress, charmingly welcomed the guest to which J. C. Gresham responded. Mrs. W. A. Harper sang "Where My Crown Has Rested," accompanied at the piano by Mrs. C. J. Velie. Miss Iris Dorsett welcomed old members of the sorority. Miss Grace Stout responded.

Miss Jeanette Stout gave a humorous reading, "Warp of Men." The faculty guests were welcomed by Miss Ruth Alexander. Dean Louise Savage responded. Mrs. Grace Hall Riheldaffer delighted those present with her fine interpretation of Oscar Wilde's "Spring Song." Mrs. Velie was at the piano.

After the programs ended, an informal period was enjoyed. Confetti was thrown which added color and merriment. At

ELECTORAL COMMITTEE CHOSEN FOR AUSTRALIAN BALLOT SYSTEM

Tuesday morning the word was circulated that the Chapel would be probably the most important of the semester. All knew it was important, but none knew why. Of course the curiosity grew until there was an unusually large number at Chapel.

The students began to think they were going to be disappointed because Dean Hook made the usual announcements; but he soon added another one that aroused the interest of all. He began this important announcement by giving a short account of what was done last year in regard to the Student Elections. He finally ended his little speech by reminding us that election time would soon be here and that it might be well for us to begin preparations.

The result of this announcement and the really important accomplishment of Tuesday's Chapel was the election of a Committee on Elections or, we might say, The Electoral College of Elon. Popular and competent individuals were chosen to fill these important places, and certainly no student will be dissatisfied with their actions. All but one of this all-important committee of five are seniors, and the one junior of the group is now president of his class and has been on the Student Senate for three years. The seniors selected on the Electoral Committee are:

PAGEANT 'ROBERT AND MARY' IS FEATURE OF SUNDAY PROGRAM

Sunday evening March 2, 1930, the Christian Endeavor sponsored a very interesting pageant entitled "Robert and Mary," given in Whitley auditorium. This was a religious pageant. The leading parts were played by Fred Smith and Mary Rawles Jones. Fred Smith played the part of Robert Moffat and Mary Rawls Jones, Mary Smith. Mary Smith, a beautiful young girl, loved by her parents, had a desire to go on the mission field. At the same time Mary was engaged to Robert. Her parents, who were old, would not consent to her going on the mission field. Robert at this time was on the field in Africa and finally gave up hopes of ever seeing Mary and fell in love with Katrina, who lived on the border of the country in which he was working. Later Robert went to India, and while at this place he received a letter from Mary, his former sweetheart, stating that she was coming to Africa. She came and they were married and both went to Africa as missionaries together.

Cast:

- Robert Moffat—Fred Smith.
James Smith—Delos Elder.
Mrs. Smith—Mary Rudd.
Jane—Mabel Coghill.
Margaret—Frances Ring.
Phyllis—Ruth Smith.
Agnes—Elizabeth Bowen.
Isabel—Anna Virginia Britt.
Mynheer Vandervicker—Roland Smith.
Uran Vandervicker—Adna Lane Brunton.
Katrina Vandervicker—Lillian Underwood.
Wilhelmina—Mary Sue Rawls.
Juliana—Bell Wicker.
Mary Smith—Mary R. Jones.

DR. WATSON DIES AT HIS HOME IN ELON

Dr. G. S. Watson, the oldest resident of Elon College, quietly passed away at his residence here a few minutes after 8 o'clock on Wednesday morning, March 5. Dr. Watson had eaten a hearty breakfast, and went to sleep without a struggle.

For the past year Dr. Watson has been confined to his home by a fall in which his hip was broken, and from which, because of his advanced age, he was unable to rally. He was 86 years of age last December.

For the past 25 years Dr. Watson and his family have resided in Elon College. Prior to this time he was one of the best known medical practitioners in Alamance County, coming to Elon College from Union Ridge where he had practiced his profession for nearly half a century, and where he was held in universal esteem.

Dr. Watson has been a Trustee of Elon College since the incorporation of the Board of Trustees by the General Assembly, March 11, 1889, and never missed a single meeting of the Board of Trustees or of the Executive Committee until the session just held in February when he was confined to his home by illness. He was associated with Dr. W. S. Long, first

INTERESTING PRORAM GIVEN BY PSIPHILIANS

On Thursday, February 27, the Psiphelian Literary Society met and rendered a very entertaining program. The first number on the program was "The Influence Dorothy Dix Has on Marriage and Happiness," by Gladys Barber. Miss Barber's discussion was very interesting and contained some good advice. The next number was "Do I Believe in Divorces?" by Miss Pauline Sloan. Miss Sloan's subject was very interesting and was well handled. The third number on

The annual Junior-Senior Banquet at Elon College was staged last Wednesday evening, February 26. The Juniors with the Seniors as their guests, together with the class sponsors and invited guests assembled at 6:30 in the reception room of West Dormitory. It was here that the grand march started that marked the outstanding social event of the college calendar. This line full of color and gaiety, after circling the campus was led to the college banquet hall, the scene of the occasion.

The tables were arranged in the shape of a capitol "E" and the soft candle light added charm to the occasion. Cut flowers adorned the tables. The college colors, maroon and gold, was the outstanding color scheme, while the class colors were given prominence.

Lester Register, the president of the junior class, sounded a genuine welcome to all present and the response was given by Fred Caddell, president of the senior class. This began a program that lasted for over two hours and one which proved most interesting.

Mrs. Ella Keyser Garrett sang two beautiful solos entitled "I Heard You Singing," and "Snow Flakes." She was ably accompanied by Paul Magee. L. C. Williams gave a toast to the honored guests, and Prof. A. R. Van Cleave responded. Miss Jeanette Stout entertained with a humorous reading entitled "A Chip off the Old Block." Misses Viola Worsley and Idell Jones, sang "At Dawning" and were accompanied by Mr. Magee. Dr. Harper, president of Elon College was on the program, but was unable to be present. Mrs. Harper served as "pinch hitter" for the occasion and made a brief talk.

Besides members of the junior and senior classes, the guests included, Miss Lila Newman, senior class sponsor, Mrs. W. A. Harper, Dr. and Mrs. N. F. Brannock, Prof. A. R. Van Cleave, Miss Jeanette Stout, G. D. Colclough, Mrs. Nash Parker, Mrs. Woodrow Cox, and Mrs. Paul Simpson.

THE CLASS OF '31

For the Class of '31 let's give a cheer, It's the best Class Elon's had for many a year;

In our studies, work, and play We have always led the way, For our dear old '31 we proudly cheer.

There are many reasons why we now are here,

We have surely formed some friendships that are dear;

In our College life each day We have learned things that will stay, We've attained a broader intellectual sphere.

There is just one more thing now we'd have you hear,

It's a matter that we'd like to make quite clear:

About a year from this next May We'll get A. B.'s and go away, But the spirit of '31 will e'er be near.

—Kay-Bee.

R. S. V. P.

The problem of transportation from Elon to Burlington and nearby towns has at last been solved by the girls. The solution is that Roller Skates are Very Popular.

Clarice Dickinson and Ruth Stephens are teaching near Reidsville, N. C.

"Monk" Phillips attended the B. O. B. Banquet recently.

IOTA TAU KAPPA FRATERNITY GIVES EIGHTH ANNUAL BANQUET IN Y. M. C. A.

J. C. Gresham is Toastmaster.

ELON AND WAKE FOREST NEGATIVE TEAMS WIN DEBATES

Elon's initiatory debating combat in the form of a dual debate with Wake Forest was somewhat of a verbal struggle. All evidence showed that the query: Resolved, That the Nations Should Adopt a Plan of Complete Disarmament Excepting Such Forces as are Needed For Police Purposes, had been well analyzed by all the debaters.

Truitt and Hook remained at Elon and upheld the affirmative side of the query against H. L. Bridges and A. D. Carroll of Wake Forest. The combat was a hard one, and when the argument was finished all were held in great suspense while the judges, Dr. Opie, Mr. Yount, and Mr. Cooper prepared their ballots. Finally there came a period of joy for some and sadness for others as the decision was announced; two for Wake Forest and one for Elon.

L. C. Williams and Lem Weston were at Wake Forest at this time upholding the negative side of the same query against Church and Smith. They also had a very hard struggle with their opponents but they seemed to have hit upon some points that were not expected by their opponents, and with this and the fact that they really put across a hot argument, they drew a decision of two in favor of Elon and one in favor of Wake Forest.

Students, our debaters are really putting out some hard work, and are sacrificing a great amount of their valuable time for us, and in return for this let's show them that we are 100 per cent back of them by attending the debates and cheering them on.

MINISTERIAL ASSOCIATION HOLD SERVICES

Two Programs Are Given.

On Sunday morning and night the future preachers were actively engaged in two services. The first was held at the Friendship M. E. Church about 14 miles out of Burlington. In this program Mr. Sam B. Wilson, B. Paul Rakestraw, Chas. Gaddy, Roy Coulter, and J. Howard Smith participated. The topic for the morning was one that had been used before: namely, "Christian Service."

7:30 found the ministers at the Graham Christian Church, of which Dr. Wicker is pastor. At this meeting Mr. Henry Hilliard presided, and Mr. Numa Franks, C. P. Page, J. Itay Dickens, and W. E. Brill assisted in the meeting. The topic was "Brighten Your Corner," which had been used before on the Elon Campus.

Sunday night the Christian Workers have charge of the evening service in the College Auditorium. The topic for discussion is "Wonders of the Bible in Seven." Messrs. Rakestraw, Gaddy, Dickens, Brill, Foushee, J. Howard Smith and other members will conduct the service.

PSYKALEONS GIVE WEEKLY PROGRAM

The Psykaleon Literary society held its weekly Monday evening meeting at 7 o'clock in the society hall.

In the absence of the President, Miss Worsley, Miss Lambeth Vice-President presided. After business had been discussed and declared finished, the following program was given.

Miss Frances Ring very effectively read three of James Whitcomb Riley's poems. Miss Mary Rudd gave the life of Riley and Miss Irene Ring also gave a selection of his. Miss Dorothy Hunter read a very interesting story and was voted best on the program.

The program was very interesting because of the attractive presentation of each member.

The Iota Tau Kappa fraternity at Elon college gave a radio dinner on Saturday, March 8, in the spacious Y. M. C. A. banquet hall of the college. It was the eighth annual banquet of the I. T. K.'s and was a gala affair from start to finish. This unique dinner, resplendent in its entirety, was one of the highlights of Elon social life for the year 1929-30. The fascinating sublimeness and uniqueness of the decorations struck the happy jovial throng of merry-makers with awe. The fraternity color scheme of red and black was carried out, the stage being paneled off with red and black streamers, the windows and doors arched with red and black, with streamers of the same colors dangling from them. In the center of each white-topped table seating four, were red and black candles. Favors at the place of each lady present were beautiful desks clocks of blue, at the top of which "I. T. K." was encrusted in gold letters.

The revelers, including active alumni and honorary members of the I. T. K. banded together in the reception hall of the west dormitory and marched "two by two" in all the gay splendor that was possible, to the Y. M. C. A. banquet hall. The sight was a beautiful one to look upon, with evening gowns of various shades and types, being worn by the charming misses.

At 6 o'clock, as the guests entered the banquet hall, Iota Tau Kappa radio program coming from the station W. N. R. C., Greensboro, opened up with "Hail, Hail, The Gang's All Here." J. C. Gresham

ELON DEBATERS TO MEET LENOIR-RHYNE IN DEBATE FRIDAY NITE

There are several outstanding literary events drawing near. On Friday night of this week, Elon and Lenoir-Rhyne will hold a dual Debate on the Disarmament Query. Our affirmative team, consisting of K. B. Hook, Junior, and H. N. Truitt, Sophomore, will meet Lenoir-Rhyne's strong negative debaters at Hickory. Mr. J. Howard Smith, Junior, and Affirmative alternate for Elon, will accompany Hook and Truitt on the trip to Hickory.

During the time that our affirmative is debating at Hickory, Messrs. E. L. Weston, Freshman, and L. C. Williams, Junior, will uphold the negative side of the question here against Lenoir-Rhyne's affirmative team. This Debate will be held in the Chapel at eight o'clock Friday evening and should be well attended.

The Debaters feel that boys and girls should have the privilege of sitting together at these Inter-Collegiate Debates and they have requested that this be permitted. So far it has not been announced whether this will be permitted or not, but it is hoped that the students will attend the debates and support those who represent them against other colleges.

Plans for a Triangular Debate with High Point and Appalachian State Normal are nearing completion. In this debate which will come about the middle
