

FIFTH BANQUET OF ALPHA PI DELTA FRATERNITY STAGED

Held in Y. M. C. A., Clyde Foushee, Toastmaster.

The Alpha Pi Delta fraternity, together with their guests, enjoyed their fifth annual banquet on Saturday night, April 5. The banquet hall was beautifully and cleverly decorated in the fraternity colors, crimson and gold, and with ferns and sweet peas.

Clyde Foushee gave a warm welcome to the guests, which was responded to by Miss Mildred Odelle Taylor. Paul Magee gave a clever toast to the guests. Miss Katie Pierce responded. Herman Truitt gave a toast to the faculty present and Dr. T. C. Amick responded, closing with an original poem to Alpha Pi. Miss Lucy Boone gave two beautiful vocal solos. The toast to old members was given by Kenneth Hook and responded to by a staunch old brother, Dewey Mast. The "Harmony Hounds," Cameron, Dollar, York, and Benton sang two quartet numbers. Wyatt Highsmith gave a humorous toast to "Elon 1940." Miss Pauline Sloan responded. Prof. A. R. Van Cleave was on the program for humor. He very effectively paraphrased Shakespeare and Mother Goose. Nancy Poole read an original poem dedicated to the Alpha Pi boys. Bob Hook gave some "Gems of Wisdom." The happy occasion was ended when Euodias Knight gave the "Adieu."

Miller's Southern Troubadors furnished the music. The menu consisted of the Alpha Pi Delta favorite, ham, chicken a la king, sweet potatoes, Southern style, cranberry jelly, green peas, celery, olives, rolls, butter, orange-grape-nut salad, fresh strawberry sundae, cake, almonds, and coffee.

PSYKALEONS HOLD REGULAR MEETING

The Psykaleon Literary Society held its regular meeting last Monday night in the Society Hall. After the business session was over, a debate was held. The query was Resolved that there should be no social restrictions on Elon campus. Miss "Johnnie" Sharpe was the first speaker upholding the affirmative side, who almost convinced you that girls should be allowed to do as they pleased. Then Miss Elizabeth Barney contradicted every thing Miss Sharpe had said, and when she had finished, you could hardly tell which was better. They were followed by Misses Adna Lane Bruton and Ruth Alexander who upheld their respective sides. After the judges made their decision, it was found that there should be social restriction on the campus.

Miss Barney was noted best speaker.

PROF. J. A. HUNTER GIVES HINT TO THE TEACHERS IN CHAPEL

Gives Characteristic of a Successful Teacher.

Prof. Hunter of the French department conducted the chapel services of last Friday morning. His theme was "A Successful Teacher." He gave the following characteristics essential to be a successful teacher, which were drawn from different opinions of high school students: neatness, good poise, impartiality, thoughtfulness, sense of humor, good preparation, good voice, and tact. He gave some very amusing incidents in which a teacher was included.

Miss Suemoll Alcon of Stoneville, N. C., spent the week-end with Miss Edith Wright.

TRIANGULAR DEBATE TO BE HELD TONIGHT

Foushee Takes Williams' Place. Negative at High Point; Affirmative at Boone.

Tonight the Elon debaters will face a strenuous test when they meet Boone and High Point in a triangular debate. The Elon Affirmative will meet High Point at Boone. The Elon Negative will face the Boone Affirmative at High Point. High Point's affirmative and Boone's negative will clash here at Elon. No team is on his own ground.

For Elon Hook and Truitt will again face the Negative. Weston and Foushee will tackle the affirmative from the opposing side. This is Foushee's first debate of the year and the committee feels that he will argue with the same old fight and vim that he did last year.

The affirmative will leave school early Friday morning with J. Howard Smith driving Chief Pontiac headed for the woods of Western Carolina in another hunting scrap. Truitt and Hook are very much enthused as a result of hearing Private Peat recently in an address on World Peace. Having won no contest thus far in the season they are determined to come out as victors in the final fray.

Birthday Party Given In Honor of Miss Elizabeth Barney

On Saturday evening, March 29, Mrs. J. W. Barney was hostess to a number of young people in honor of the birthdays of her daughter Elizabeth and the latter's friend, Miss Evelyn Richardson.

Rook was played at two tables, and during this time the bean-bag contest was in progress, causing much merriment.

Miss La Rue Brann won first prize in rook, a lovely picture named "Springtime," and Miss Elizabeth Slack, consolation, a large chocolate bunny. The winner of the bean-bag contest was Miss Annie Christine Tedder, who was awarded a large box of candy.

The guests were then ushered into the dining room which made one think of fairyland with its profuse decorations of lovely springtime flowers and candles. In the center of the table there was a large birthday cake, each half of which held a number of candles representing the ages of the two girls, respectively.

A course luncheon was served, and the guests received attractive favors.

The following were present: Evelyn Richardson, Elizabeth Barney, Elizabeth Slack, Elizabeth Stephens, Dorothy Hunter, La Rue Brann, Annie Christine Tedder and Rena Maude Iseley.

Frances Deviney and Helen Barney assisted in serving.

STUDENT BODY HEARS NEW PROFESSOR FOR FIRST TIME

Prof. J. B. Robertson Spoke Wednesday, April 2.

On last Wednesday morning the student body heard Prof. J. B. Robertson speak for the first time. Prof. Robertson is substituting for Prof. O. B. Johnson, who is doing post graduate work at Peabody, Nashville, Tenn. He traced the evolution of the Sunday School since 1780. His talk was historical as well as inspiring, and from it the following conclusion was drawn: Sunday Schools weren't made in a day.

His last thought was:

A Great Growth

If we can picture as a beginning the 90 little street urchins taken from the streets and back alleys and housed in some vacant building not planned nor constructed for school work with no equipment and scarcely any books or any other literature, and the pupils divided among four ladies; and then contrast this picture with the hundreds and thousands of modern Churches and large and commodious Sunday School buildings as fine as science, and architecture and money can make; and then too picture a well organized, well-graded school with

CHRISTIANS DEFEAT QUAKERS IN FAST GAME

Christians Lead Little Six; Briggs, Roberts, Fogleman and Clark Star.

On Tuesday afternoon, Elon College whipped Guilford 6 to 2 in a fast baseball game. This puts Elon in front, in the Little Six race with two victories and no defeats. The Stars for Elon were "Lefty" Briggs, who struck out nine men and kept Guilford's light hits so scattered that they were able to score only two runs. Other stars were Charley Roberts with two safe bingles, Archie Fogleman and "Cap" Clark with a 3 bagger apiece.

The game stood out because of its speed, it was over in one hour and a half.

Elon took the lead in the first inning when Fogleman the first man up hit a long triple, and come home when Clark flied out to center field. Guilford forged ahead in the fourth. Cheech singled and was advanced to third when Stout singled. Cheech came home and Stout went to third when Zachary singled, Stout scored third when Zachary singled, Stout scored third when Zachary made second on C. Darus' three men. Elon won the game in the sixth by a rally.

CLIOS HOLD REGULAR PROGRAM

The Clio Society met in the Society Hall, April 7, 1930. The meeting was called to order and routine business finished. Then the following program was presented:

"Some Ways of Improving the Society"—Sam B. Wilson.
"Origin and Development of Elon"—E. L. Moffitt.

"What I Consider to be the Most Beneficial Course at Elon"—Delos Elder.

"What Should the Trustees of Elon College Do to Make This a Better Elon"—Jimmie Stewart.

Mr. Wilson gave a lengthy but interesting talk about the needed improvements of the society. He stated that there was some partiality shown among the members. From his talk we believe Mr. Wilson had thought the question through carefully.

Mr. E. L. Moffitt's talk must have taken quite a bit of his time, for he gave a thorough account of the founding of the school. He told how the idea of putting a school here originated and who were the first donors and the first student to enroll. He also discussed the stages of growth through the fire and up to the present time.

Mr. James Stewart stated the improvements that the trustee should do to help make this a better Elon. Most of the members of the Society agreed most sincerely with Mr. Stewart on these points. After the critic had given his report, the judges declared Mr. E. L. Moffitt Jr., to be best on the program for the evening and Mr. Sam B. Wilson worthy of honorable mention.

The future program was read and approved at the end of the business meeting. The meeting was then adjourned.

The Clio Literary Society met as usual in the Society Hall on March 4, 1930. After the usual procedure had been attended to the following program was rendered:

"The Type of Girl I Like Best."—Maxie Forrest.

"Is Military Training Essential to the Training of the American Youth?"—Gus Womble.

"If We Have Religious Freedom, Why Do We Have Compulsory Church Attendance at Elon?"—Paul Brawley.

"Is It Possible to Shoot a Man to the Moon?"—Jack Chandler.

"Is a College Education Worth the Time and Money a Poor Boy Puts into It?"—Elmer Copeland.

From Mr. Forrest's talk we judge him to be a regular "Ladies Man." It seems he likes only two types—Blonde and Brunette.

Mr. Womble showed that Germany previous to the World War had her men in the Imperial Army or Navy for two years. The statistics show that they were physically and mentally better prepared than the men of any other nation. He re-

PREACHERS ARE ACTIVE OVER SUNDAY

Service Held at Haw River Church.

Sunday night the Ministerial Association conducted another service at the Haw River Christian Church. The topic used was "Prohibition." The President-Elect presided and Dickins, Page, and Marshall spoke from various phases of that theme. It was the sentiment of the speakers that Prohibition was a blessing to America and that every Christian should use his influence in helping to enforce it.

In the morning the club conducted a program for the Junior Sunday School Class of the College. Those taking part on this program were B. Paul Rakestraw, J. Ray Dickins, W. E. Brill, and J. Howard Smith. They discussed the Sunday School lesson.

Seven Last Words of Christ To Be Given Good Friday Night

The boys and girls Glee Clubs are busy on their spring tour work. The boys have their program well on the way. It will consist of two or three groups of classical pieces followed by a short musical comedy of one act. The boys have showed that they were really interested in the Glee Club work this year. Some of this was seen in the operatta, Sylvia. The girls have not as definite idea of their program as the boys have, although they too are working very industriously. Both Glee Clubs are to attend the annual Christian Conference which is to be held in Raleigh the first of May.

Choral Clubs to give Program Friday Week

The Choral Club of Elon College will give the Seven Last Words of Christ on Friday night, April 18. This is an annual event and is looked forward to with much enthusiasm. The soloists this year are: Mrs. Grace Hall Riheldaffer, soprano, Mr. H. R. Moag, baritone.

The Student Recitals are near at hand. The first one is to be next Tuesday night at 8 o'clock, given by Mrs. Ella Keyser Garrett assisted by Mr. Fletcher Moore. Mrs. Garrett is a senior this year so she needs no introduction in reference to her singing.

The members of the Boys Glee Club will be interested to know that Harold Barney, one of their former members, has been elected to membership in the New York Banks Glee Club. This organization presented its final program of the season, in Carnegie Hall on Wednesday evening, April 2nd. The conductor of the club is the well known composer, Bruno Huhn.

DELTA UPSILON KAPPA ENTERTAINED AT WIENIE ROAST

Misses Belle and Christine Wicker entertained the members of the Delta Upsilon Kappa Sorority at a delightful wienie roast on last Friday evening. When the girls arrived at the scheduled place they found a large camp fire burning and it looked as if it knew everyone was hungry. The members spent an enjoyable social hour roasting wienies, toasting marshmallows, eating sandwiches and drinking refreshing drinks.

The members present were: Misses Belle and Christine Wicker, Lila Newman, Mary Rawls Jones, Ann Rawls, Lillian Underwood, Frances Ring, "Rene" Ring, Anna Virginia Britt, "Jeff" Walters, Johnnie Sharpe, Viola Worsley, Alma Rountree, Mabel Coghill, Mary Sue Rawls, Annie Laurie Holland, Lucy Caddell, and Elizabeth Bowen.

THE DELTA UPSILON KAPPA BANQUET A GREAT SUCCESS

Was Held in Y. W. C. A.; Last Sorority Banquet This Year. Miss Clara Sharpe Was Toastmistress.

The Delta Upsilon Kappa Sorority of Elon College gave its annual banquet on Saturday evening, March 29, in the spacious Y. W. C. A. banquet hall. This was a brilliant event on the social calendar of the college and was one of the most delightful banquets that the sorority has had during the past eleven years. The banquet hall was decorated in green and white, the sorority colors. Beautiful ferns and huge palms were placed here and there about the room, while in the center were four long white tables placed diagonally from each other, forming a diamond, the shape of the sorority pin. In the center of this were tall white baskets filled with white tea roses, the sorority flower, and around these were several palms and ferns, which lent an artistic air to the occasion.

Phil Jones and his orchestra seated on the stage with a background of cedars, and with the yellow moon hanging over the branches, played as the active members and their guest, the honorary members and honored guests entered the banquet hall.

Miss Johnnie Sharpe, the competent toastmistress, gave a hearty and sincere welcome to everyone. Mr. Dan L. Newman responded to this toast. And this was just the opening of a very entertaining program that took everyone's mind away from the outside world and its cares. Miss Alma Kimball delightfully welcomed the old members, and Miss Aubrey Kelly responded. Miss Alma Rountree then gave the toast to the honored guest, to which Mrs. H. D. Lambeth responded. Misses Frances Ring and Viola Worsley rendered a vocal duet, "Delta U Fairy Poem," music composed by Wallace King and words by T. R. Benton, accompanied by Prof. D. B. Harrell. Miss Belle Wicker gave another delightful toast, and this time it was to the men and was responded to by Mr. Jimmie Lee Foster. Miss Mary Rawls Jones gave two musical readings. Miss Christine Wicker gave a toast to the new members and Miss Mary Sue Rawls responded. Miss Wantell Lambeth gave a toast to the honorary member in faculty, Miss Lila Newman, to which Miss Newman gave a cheery response. Miss Mary Lee Foster, Kingston, N. C., very impressively and sweetly sang, "If I Had A Talking Picture Of You," and "I Am Only Painting The Clouds With Sunshine," accompanied by Prof. D. B. Harrell. The program was brought to a close by the singing of the Delta U song by every Delta U present.

The members and guests present were: Honored guests; Dr. and Mrs. J. U. Newman, Mr. and Mrs. H. D. Lambeth, Dr. and Mrs. A. W. Hurst, Prof. and Mrs. T. E. Powell, Mr. and Mrs. E. P. Wicker, Mr. and Mrs. J. A. Kimball; active
