Over 20,000 Volumes Catalogued In Library

Library Shows Steady Progress Yearly in Adding to Stocks and Files; Large Number of Catalogued Pamphlets and Documents.

The steady progress of the library in adding to its stocks and files is a matter of which the librarians are justly proud. The number of volumes catalogued in the library is now over 20,000. This is a record for the college and is a credit to the librarians who have labored so hard to bring this about. The number of volumes in the library has increased steadily for many years and is now one of the largest in the South.

Papers Exchanged

Although the number of mail and books exchanged between the two libraries is not large, it is a matter of which the librarians are justly proud. The number of volumes exchanged is now over 20,000. This is a record for the college and is a credit to the librarians who have labored so hard to bring this about. The number of volumes in the library has increased steadily for many years and is now one of the largest in the South.

BASKETBALL'S WHO'S WHO

RANCE SIMPSON

To see that quiet, unassuming Rance Simpson on Elon's campus it is hard to realize that here is one of the leading basketball players in the South. Simpson has been playing basketball for several years and has been a member of the Elon team for two years. He is a forward and is known for his shooting and rebounding.

During the basketball season at Elon, Simpson played very well. He was a forward and was known for his shooting and rebounding. He was a member of the Elon team for two years and has been playing basketball for several years.

Here at Elon, Rance has been making his business and expects to continue in New York. He is a forward and is known for his shooting and rebounding. He was a member of the Elon team for two years and has been playing basketball for several years.

Be nice admit that he likes basketball more than any other sport and is always active on the court. He is a forward and is known for his shooting and rebounding.

Technocracy Is Attacked by Publications

New York, Jan. 29.—The technocracy movement is being widely attacked in the United States by a number of publications. The movement is based on the idea of a government run by experts in various fields. It is a form of technocracy which is being attacked by many people who believe that it is a threat to the rights of the citizen.

Another edition of the "Technocracy" magazine is being published in New York. It is a publication which is being attacked by many people who believe that it is a threat to the rights of the citizen. The magazine is a form of technocracy which is being attacked by many people who believe that it is a threat to the rights of the citizen.

KEMPUS GOSSIP

We understand that a certain blonde in Burlington played havoc with a boy's heart. So that accounts for his sudden disappearance from Elon.

When a man spends his last dollar to take a girl to a show, he is a fool. It is a waste of money. It is a waste of time. It is a waste of energy. It is a waste of life.

Virginia Jay has been riding around with a certain graduate from Burlington. Could it be possible? I wonder.

It is always happened some or later. There were always found out.

To what can we attribute the falling comeliness of Ester Dole lately?

Advice Given Coeds to Keep Their Hair Nice

By JOY CAMP

Did you ever sit in your pet boring class behind a girl whose shoulders were matted with hair? It is a sight to see. It is a sight to see. It is a sight to see. It is a sight to see.

So many of us are careless in regard to our hair, and we don't seem to realize the importance of a neat, well-groomed appearance. It is a matter of self-respect. It is a matter of pride. It is a matter of honor.

For example, did you ever try to study with someone who has matted hair? It is a waste of time. It is a waste of energy. It is a waste of life.

It is simply better to have your hair cut and styled. It is a matter of self-respect. It is a matter of pride. It is a matter of honor.

Deserve Harvard Seal

The volume devoted entirely to a discussion of the personality of Howard Book, director of technocracy who according to Raymond, is a well known character in Bohemian circles of Greenwich village, have won a picturesque fate. They have been for a decade the delight of persons hearing them.

Proposals of "The Nation" for an impartial study of technocracy were made public in an open letter to Howard Book, depicting the fact that while your research is only partially complete, you have shown certain stages of progress.

THEIR FAVORITE SONGS

Elon Gets Down to Real Action

Elon turned definitely toward studying last Monday night after the preliminaries which featured the new members of the student body.

I GOT CHRYM

The subject of the 1934-35 year should rhyme with each I want to be a poet.
