life are of enduring worth. We have become convinced and were guests of Dr. and Mrs and Wrst. An hife are of enduring worth. We have been solly in the treasures and were guests of Dr. and Mrs. and the deed of respective teachers who with to the that the sin of the that the sin of the that the sin of the stock-market can be found and the chart of the stock-market can be found and the chart of the stock-market can be found and the chart of the stock-market can be found and the chart of the stock-market can be found and the chart of the stock-market can be found and the chart of the stock-market can be found and the chart of the stock-market can be found and the cha

The we time the fever, and the fret Here, where men sit and hear each other groan.

The realization of this truth is having its effect in the lives and thoughts of college students. Tavning aside from the fallacious doctrine preached a decade ago to almost dinner Tuesday night every high school student about to enter college, that one increased his earning capacity many fold by attaining in Bisco. a sollege degree, the more straight-thinking, serious student of 1933 seems to have sensed that his college courhas a far higher function in his life; and he is beginning pent several days in Mt. Ulla to take more interest in that part of the college curriculum and life which has a liberalizing, broadening, and deepen-Greenshoro. ing influence upon his personality.

This tendency has been amply illustrated at Elon on College in the recent coming together of a group of students interested, apart from any course-credit, in the reading and study of contemporary poetry. We sput Spencer not, by this statement, imply that we think the present are one in which supremely great poetry is being written; ning on the campus nor that the reading and study of poetry atone will make a liberally educated individual. But it is almost a clinic with Otis Bray. Tuesday truism that the reading of poetry with understanding is highly contributory to one's perception of the ideal and Miss Sedic Small, of Burlington. the beautiful. The progress of the human spirit through- attended the musical recital last out the ages can be studied through the interpretations of the poets. Certainly, the function of the poet as seer and prophet and interpreter has not suddenly ceased in our clon Singers left Thursday for a age; one can still go to the poets for an insight, through tour through Virginia. their greater sensitivity, into "the breath and finer spirit of all knowledge," into the vast empire of human society interpreted by the binding together poetically of imagination, emotion, and philosophy

Such an interest on the part of college students is admirable, and, in our opinion, indicative of a tendency, It ae?" during these times of economic upheaval and despair, to turn away from the tawdry materialism of a mechanistic age to seek after the enduring intellectual and nesthetic as they are at present with respect to the liquor traffic are Hyde is the nicest.

## AFTER REPEAL
