*Baseball...it's America's outstanding gift to the world of sport*

SENATORS, representatives, statesmen, judges, doctors, lawyers, businessmen and Jimmy the office boy... they're all out for the opening game.

Thrills never to be forgotten... perhaps a home run... or an electrifying no-hit game... perhaps some callow recruit, unheard of in the big time, smashing his way into the hearts of the fans.

*Baseball brings pleasure to the millions who watch it, and rewards the stars who play it.*

*Such popularity must be deserved...*

At every game and wherever you go you will find people enjoying Chesterfields.

Why... because Chesterfields are outstanding for the pleasure they give... outstanding for mildness... outstanding for better taste.

*More and more smokers, men and women both, enjoy Chesterfield's pleasing taste and aroma... such popularity must be deserved.*
