

INQUIRING REPORTER

Do you think that the Student Activity Fee should or should not be on a separate account in the office?

HILDA LEE HEATWOLE: Yes, I think that it would be much more satisfactory if we knew exactly for what our money was going.

MARTHA SUTTON: I see no particular reason why this fee should be included in a separate account.

MILTON CHESHIRE: Beyond all doubt, the Activity Fee should be a separate account. If we are to have student publications and student activities, we must have money to run them. If this fee is mixed with the other expenses, no one knows where it goes, and it is unfair to those who have paid all of their bills. Therefore, it should be separate and required before registration.

ELIZABETH FOWLKES: If the Student Activity Fee was kept as a separate account, it could be much more easily collected, I'm sure. In doing this, we students would also know just what fees we had paid. Yes, I do think it would be much better if the Student Activity Fee were kept on a separate record.

LAWRENCE FARELL: From the viewpoint of the student, I don't see why it would make any difference whether it is on a separate account or not. Personally, I prefer one account rather than two. I can hardly keep one straight, much less two.

"BECKY" ANNE HOLDEN: The fee should be separate so that we could know when and how much we have paid. Maybe if this fee were separate, we would be able to have a newspaper instead of an "ad sheet." If this fee were separate, the office would be able to tell who had paid their fee and for what it was used.

SARA VIRGINIA HOOK: With the amount of the work the business office must take care of, how can we expect them to keep such an account separate for each student? This is a Student Activity fee—why should it not be handled by the students in a student treasury?

CLYDE RUDD: By all means, this fee should be on a separate account, and the first money paid to the office should be put on the Student Activity Fee Account. This would assure us of a school paper and other things for which the fee is to be used.

CHRISTIAN CAGERS WIN NORTH STATE TITLE

(Continued From Page One)
selected as all-North State conference guard at the close of the season, led the Elon club in individual scoring for the season with a total of 252 points, or an average of 10.5 points per game for the entire schedule of games.

Roye was the only man in the conference to be given unanimous selection in the all-conference ratings for the season. The selection was taken from a poll conducted by Houston A. Lawing, sports editor of the Greensboro Daily Record, with the coaches in the conference casting votes. Lloyd Whitley, Elon's freshman sensation at forward this season, was runner-up in individual scoring as he located the baskets for a total of 199 points for the season. Ike Fesmire, forward, with 152 points; and Hal Bradley, center, with 147, placed next highest in scoring order.

Bradley, veteran at the center position, was named captain for next year at the close of the season.

The final conference standings follow:

Team	W	L	Pct.
Elon	11	2	.847
Lenoir-Rhyne	12	3	.800
High Point	10	3	.800
Appalachian	4	6	.400
W. C. T. C.	3	5	.375
Catawba	5	8	.310
A. C. C.	2	9	.182
Guilford	0	10	.000

FRENCH CLUB TO HOLD AN IMPORTANT MEETING

Group Plans to Present All-French Comedy in Near Future Here.

The Elon College French Club will hold a very important meeting Thursday March 11, at ten o'clock in the little chapel of the Religious Education Building.

The Club is anxious for all its members to be present promptly and any person that would care to join or just visit are welcome. The club wishes to bring the French and English language to a closer relation for the students of Elon College.

Many interesting speakers have appeared on the Clubs' programs and have stimulated the interest of the club members to such a large degree that no member wishes to miss a single meeting for fear he will miss a very interesting talk.

The principal speaker for next Thursday will be the quiet soft voiced little shark, Mr. Lawrence Sharp. Mr. Sharp is a very interesting speaker and has proven to be an outstanding member as well as a wizard in his class work.

Introducing new things is the Clubs' motto and to full-fill this motto the members that have talent expect to present an all French comedy soon.

Le travail fait le charme de le vie. Voulez-vous que je vous le dise? If so come to the next meeting.

SOCIETY NOTES

Miss Laura Mae Holt Honored at Surprise Birthday Party

Misses Geraldine Mangum, Louise Baynes, and Virginia Gregg were hostesses at a surprise birthday party for Miss Laura Mae Holt last Tuesday evening at Miss Holt's home in Graham. The honoree was presented with many amusing gifts.

Bingo was enjoyed during the evening, following which the guest entered the dining room where they were served birthday cake and ice cream.

Those present were Misses Laura Mae Holt, honoree; Marguerite Blackman, Minerva Walker, Frances Boland, Sue Galloway, La Verne Porterfield and Misses Mangum, Baynes and Gregg, hostesses; Messrs. Hatcher Stacy, Leonard Dowdee, Duane Vare, Bill Maness, Ben Lilien, Amos Shelton, Arthur Lea, "Wimpy" Fowler, and Yates Wall.

Some girl are not afraid of mice: other girls have pretty legs.

RAMBLING

(Continued From Page Three)

the space their recent basketball victory over Duke got in the Blue Devils' paper. . . . Bill Terry's son does not participate in athletics at the University of Virginia. . . . Four players who faced Elon on the diamond last year made contacts with major league teams: Ace Parker and Pete Nactinis of Duke, Yount of Wake Forest, and Broadus Culler of High Point are at the Mexico city training camp of Connie Mack's Athletics. . . . Culler and Nactinis appeared in a few games last year. . . . Athletes at A. S. T. C. have to stay in condition the year around. Incidentally A. S. T. C. appears on Elon's '37 football schedule.

DEAN HUSBAND PROVING POPULAR TO ELONITES

(Continued From Page One)
to Columbus, Miss., where she taught in Mississippi State College.

Dean Husband is thoroughly capable, and is well-liked by the students and faculty members. She is proving a great asset to Elon.

STUDENTS GIVEN AID IN FLOODED AREAS

(Continued From Page One)
on work projects of the National Youth Administration, and \$71,160 for aid to needy students under the Student Aid Program. Of the latter sum, \$38,250 will go to college students and \$32,910 to those in high schools.

The work projects allocation will provide employment for five months for between 400 and 600 out-of-school youths at an average wage of approximately \$16 per month. Most will be assigned to rehabilitation and clean-up work in the wake of the flood waters.

Approximately 1,400 high school students earning not more than \$6 a month, and 700 college and graduate students with wages averaging \$15 and \$25 a month, respectively, will be enabled to continue their studies to the end of the term under the special allocation for student aid.

This is the second emergency allocation by the National Youth Administration within the last six months. In September, funds totaling \$1,118,494 were released for special assistance to young men and women in twenty Southern and Middle Western states affected by last summer's drought. It is estimated that approximately 40,000 youths received part-time employment and student aid assistance from this fund.

MATMEN TAKE SECOND PLACE IN A.A.U. MEET.

(Continued From Page Three)
well as expected, but he did manage to throw his first opponent in a little less than three minutes and help in the point score. All season long Bill has proven that he is a wrestler of rare ability, but training himself down so much left him in a weakened condition for some of his matches.

A total of ten points was garnered by the team, which is pretty remarkable for a team of almost all inexperienced men. Wrestling has gained much prominence here, and our only regret is that the season has drawn to a close.

HOWARD SMITH LEAVES TO START U. N. C. STUDIES

(Continued From Page One)
great shock to everyone. While here, he was outstanding in basketball and baseball, being co-captain of the basketball team in 1935. He is a member of the Sigma Phi Beta fraternity.

We wish you the best of luck in the cold, cruel, world, Smitty!!

WALKER WILL MANAGE SNOW HILL THIS YEAR

Coach D. C. "Peahead" Walker, director of athletics at Elon college, has signed to manage the Snow Hill entry in the Coastal Plains league for the 1937 season.

Walker, who last season piloted the Williamston club in the Coastal Plains loop, will return to Snow Hill to lead that team in its bow in the league as a class "D" professional circuit. Last season the loop operated as a semi-pro league.

During the seasons of 1934 and 1935, Walker piloted the Snow Hill outfit and then moved over to Williamston last year. His Williamston club finished the regular season in first place.

The local mentor was originally signed to manage Burlington in the Bi-State league this season, but when Henderson failed to raise the franchise guarantee for a Bi-State berth, rounding out a 10-team circuit, Burlington was also dropped to allow for a eight-ten set-up.

MERELY MEANDERING

(Continued From Page Two)
other—love is just two fool things after each other.

Negative thoughts waste human energy.

Some "things" around Elon aren't what "they" are cracked up to be.

There were 808 strikes by workers in the British Isles in 1936.—The Literary Digest.

SEVEN AWARDS GIVEN FOR BASKETBALL MEN

Seven members of Elon's conference-winning basketball squad were given court awards for 1937, according to announcement by Coach D. C. "Peachhead" Walker, director of athletics.

Hal Bradley, of Kipling, was elected by the squad to the position of captain for the cagers next season. Bradley, rangy center, was one of the main cogs in the Christian attack this season.

Bradley, playing his third season this year; Paul Royce, Chattanooga, Tenn., guard, also playing his third season; Richard Cromlish, Pittsburgh, Penn., guard, second year; Ike Fesmire, Greensboro, forward, second season, and Johnny Cameron, Jonesboro, guard, fourth season, all received chevrons. First-year monograms went to James Abbutt, Roxboro, guard; and Lloyd Whitley, High Point, forward. Bob Fowler, of Snow Camp, was awarded manager's letter. All of the lettermen will be back next season with the exception of Cameron, who left college at mid-term to accept a teaching position.

SURVEY REVEALS THAT DRINKING IS HIGHER

(Continued From Page One)
One editor wrote that drinking in his college had increased 500 per cent.

"As a rule, the larger the college and the higher its academic standing, the fewer its regulations for the consumption of liquor and the less their observance."
