Merely Meandering

(Continued from Page Two) was he a Republican. He was so hot that you could even smell him smoking before you saw him coming. Well after the elections, the votes were counted and Uncle Peewee had only one vote—his own vote. He was heart broken but he kept his head up and calmly waited for the next "pollyticking" time. When it came Uncle Peewee decided that something had to be done if he was ever going to be Chief Justice of Pineywood township, so he decided to be a Democrat this time. Uncle Peewee changed so much from a Republican to a Democrat that he had his face lifted to make it complete. After the votes were counted this time my Uncle had only two votes. And to cap it all he was put in jail for breaking the election laws—he voted twice. After poor Uncle Peewee got out of jail he went home and said: "From the next time I run, I am going to be a plain old jakass so I can get elected."
